Passion Unleashed The Sun And Moon Series 1:

The Destruction of the Apocalypse Daniel F. Owsley, 2012-04-01 Dare to read the story of the end where Left Behind left off Before this world is made into a virtual utopia it s destined to be destroyed by fire But Christians won t have to go through those fiery days that shall burn as an oven as recorded in Malachi 4 And our Heavens won t even allow their tears to be shed as thirsty grounds below swiftly spread everywhere while turning our planet into a giant dust bowl Then our earth s crust will resonate from the resounding of moving mantle that shall quickly waste all of the cities of a doomed race that foolishly followed after the ways of Babylon And the electrical explosions of lightening crackles will then suddenly detonate within our expanse like unstable chemicals that reacts ferociously with non compatible elements Even our continental shelves shall also be rearranged in our new earth when the underlying strata is moved miles out of it s place by gargantuan earthquakes Then our abandoned coastlines will be rapidly betrayed by waters that leave real quick without any word And within all areas of the circle of our earth new dry land shall suddenly arise to contend with bloody looking muck that shall be thrown up during volcanic conniptions For our former forgotten seas will be swiftly transformed from eruptions while they abruptly become parched badlands of the driest thirsty kind And those bone dry lands will suddenly be floating upon steaming lava as it cools Then the deepest gorges will be unexpectedly filled in by our ever shaking earth At that point our entire firmament will also be enshrouded with some real dusty ashes while speedily producing real stagnant blackened clouds that will be unable to empty themselves due to the supernatural restraints that God shall place upon them Furthermore all unprotected life will then hastily cease during those most foreboding and darkest hours of God s very worst fury For all of the past vegetation of our greenest plains will then abruptly curl up into little balls while quickly perishing very quick beneath the scorching rays of our sun that has gone more than crazy And our planet will then immediately be stripped naked due to all of those combined happenings that will rapidly lead to untold destruction But after all those above horrid things have finally come to pass only at that point shall our earth soon arise and shine with our God s most loving restoration And the mortal remnant of our great tribulation era shall then always live together with immortal resurrected people that shall no longer be male or female And all of our Lord s elect shall then live evermore upon a blessed remade world that will never pass away **Punch Mark**
