Patriots Surviving The Coming Collapse:

Patriots James Wesley Rawles, 2009-04-07 *Patriots* is a man s action adventure novel set in the near future as America is torn by a full scale socio economic collapse **Patriots** James Rawles Wesley, 2006 *Patriots Surviving the Coming Collapse* is novel set in the near future that describes a full scale socioeconomic collapse More than just an exciting read it is packed with useful survival and preparedness tips It was described by one reviewer as A survival manual neatly dressed as fiction An earlier short draft edition of the novel was distributed as shareware on the Internet in the early 1990s At the time despite the relatively small readership of the Internet it had more than 82 000 downloads making it the nets most popular shareware novel of the decade It was hosted at seven mirror sites on three continents *Patriots* is distinctly pro Christian pro preparedness pro gun ownership and anti racist It is considered a must read by those are concerned with the fragility of our society and those interested in preparedness It is also popular in Libertarian circles *Patriots* was authored by James Wesley Rawles the editor of [www SurvivalBlog com](http://www.SurvivalBlog.com) *Patriots* James Wesley Rawles, 2026-09-10 *Survivors* James Wesley Rawles, 2011-10-04 Follows a group of people struggling in the face of a full scale socioeconomic collapse in America that has caused the breakdown of all technology and supply chains while unleashing riots and predatory gangs throughout the country *Founders* James Wesley Rawles, 2012-09-25 From the author of the instant New York Times bestseller *Survivors* comes its follow up another lightning paced thriller about survival in America after an apocalyptic socioeconomic crash

Expatriates James Wesley Rawles, 2013 A survivalist thriller follows the efforts of two American expat families to survive in the midst of a global economic collapse marked by the powerful rise of a radicalized Islamic government **Patriots** James Wesley Rawles, 2009-04-07 In this post apocalyptic thriller a group of American friends search for safety following disaster but danger is hunting for them America faces a full scale socioeconomic collapse the stock market plummets hyperinflation cripples commerce and the mounting crisis passes the tipping point Practically overnight the fragile chains of supply and high technology infrastructure fall and wholesale rioting and looting grip every major city As hordes of refugees and looters pour out of the cities a small group of friends living in the Midwest desperately tries to make their way to a safe haven ranch in northern Idaho The journey requires all their skill and training since communication commerce transportation and law enforcement have all disappeared Once at the ranch the group fend off vicious attacks from outsiders and then looks to join other groups that are trying to restore true Constitutional law to the country *Patriots* is a thrilling narrative depicting fictional characters using authentic survivalist techniques to endure the collapse of the American civilization Reading this compelling fast paced novel could one day mean the difference between life and death Praise for James Wesley Rawles Rawles is an amazingly gifted author who has singlehandedly reignited the postapocalyptic thriller Brad Thor 1 New York Times bestselling author [Back to America](#) William H. Westermeyer, 2019-11 *Back to America* is an ethnography of local activist groups within the Tea Party one of the most important recent political movements to emerge in the United

States and one that continues to influence American politics Though often viewed as the brainchild of conservative billionaires and Fox News the success of the Tea Party movement was as much if not more the result of everyday activists at the grassroots level William H Westermeyer traces how local Tea Party groups LTPGs create submerged spaces where participants fashion action oriented collective and personal political identities forged in the context of cultural or figured worlds These figured worlds allow people to establish meaningful links between their own lives and concerns on the one hand and the movement's goals and narratives on the other Collectively the production and circulation of the figured worlds within LTPGs provide the basis for subjectivities that often nurture political activism Westermeyer reveals that LTPGs are vibrant and independent local organizations that while constantly drawing on nationally disseminated cultural images and discourses are far from simple agents of the larger organizations and the media Back to America offers a welcome anthropological approach to this important social movement and to our understanding of grassroots political activism writ large

Zombology Brian Anse Patrick, 2014 In films television books games pornography and now even in firearms and ammunition being sold to the American public zombies are one of the mainstays of the popular culture of our time Far from being only a passing curiosity Brian Patrick dissects the zombie showing it as the articulation of deep seated fears within the Western psyche a symbol in fact for the growing dehumanization that many of us observe or perhaps sense without fully realizing it in modern civilization Patrick connects the zombie phenomenon to previous historical occurrences drawing on both religion and psychology to show how such symbolic tropes that lodge in the collective unconscious of a culture are reflective of the psychological needs of large numbers of people in times of crisis Patrick likewise shows how zombiedom has manifested particularly in American gun culture and how this relates to the growth of a large scale citizens activist movement in favor of gun rights Also included are practical tips on how to stay out of the clutches of zombiedom Zombology is more than just a book about zombies however The zombie for Patrick is a peculiarly Western phenomenon and as such he examines how it can be seen as a manifestation of not so abstract forces battling for the future of our civilization will collectivization or the individual dream or reality win out Patrick offers his own diagnosis At the very least the zombie adds some much needed psychic contrast to the cold to the grey and to the unending It also provides a face albeit necrotic to the seemingly impersonal sociological forces that undermine the West for in a near perfect correspondence with the zombie the West itself appears to be necrotic in a galloping way Both need brains to ease the pain p 48

Survival and Resistance in Evangelical America Crawford Gribben, 2021-02-23 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society that they anticipate These believers have often given up on the politics of the Christian Right adopting strategies of hibernation while developing the communities and institutions from which a new America might one day emerge Their activity coincides with the promotion by prominent survivalist authors of a program of migration to the American Redoubt a

region encompassing Idaho Montana parts of eastern Washington and Oregon and Wyoming as a haven in which to endure hostile social change or natural disaster and in which to build a new social order These migration movements have independent origins but they overlap in their influences and aspirations working in tandem to offer a vision of the present in which Christian values must be defended as American society is rebuilt according to biblical law This book examines the origins evolution and cultural reach of this little noted migration and considers what it might tell us about the future of American evangelicalism Drawing on Calvinist theology the social theory of Christian Reconstruction and libertarian politics these believers are projecting significant soft power Their books are promoted by leading mainstream publishers and listed as New York Times bestsellers Their strategy is gaining momentum making an impact in local political and economic life while being repackaged for a wider audience in publications by a broader coalition of conservative commentators and in American mass culture This survivalist evangelical subculture recognizes that they have lost the culture war but another kind of conflict is beginning
