Paypal Report To Irs:

Every Airbnb Host's Tax Guide Stephen Fishman, 2022-01-25 All 2.9 million Airbnb hosts in the United States can profit from this book. The first and still only one of its kind, it tells hosts everything they need to know about taxes for short-term rentals, including deductions they may take, depreciation when short-term rentals are tax-free repairs, and tax reporting for short-term rentals. The new edition covers all the latest tax changes brought about by the Coronavirus legislation passed by Congress. These include new tax breaks that can save hosts thousands in taxes, tax credits for sick leave and family leave for self-employed hosts, employee retention credit, and tax-free treatment of landlord PPP loans. Many Airbnb hosts have lost money due to the Coronavirus pandemic. This book explains if, when, and how short-term rental hosts may deduct their losses from other nonrental income.

Working With Independent Contractors Stephen Fishman, 2020-07-28 Hire independent contractors without running into trouble. Independent contractors (ICs) do every conceivable type of work, from accounting to web development, and gig economy websites make it easy to find and hire qualified ICs. Working with independent contractors saves your business money and gives you flexibility in hiring. But there are risks in trying to establish IC relationships. Simply calling a worker an independent contractor doesn't make them one. This book shows you how to avoid mistakes that can lead to lawsuits or costly fines from the IRS and state agencies. Learn how to determine who qualifies as an IC, document the IC relationship in a written agreement, assess the risks of hiring freelancers and gig workers, safeguard your company's intellectual property, and handle and settle an IRS audit. The 10th edition, completely revised to reflect the latest changes in the law, includes detailed examples of how a business should hire independent contractors. With downloadable forms, it comes with invaluable forms that let you document a worker's IC status and create strong contracts. Easy to download and tailor to your own situation, details inside.

Consultant & Independent Contractor Agreements Stephen Fishman, 2020-09-16 Get your contract in writing. With the rise of the gig economy, independent contractor arrangements are more common than ever. Whether you're an independent contractor or a business hiring one to work for you, a written agreement will help to protect your rights, define expectations, and prove that there's no employer-employee relationship. Here you'll find specific agreements for many types of independent contractors and freelancers, including salespeople, accountants, software consultants, and construction contractors. You'll learn how to draft a binding agreement, define a project's scope, preserve confidentiality, distinguish between employees and independent contractors, protect your intellectual property, amend your agreement, and satisfy IRS requirements. Each chapter has two agreements: one geared towards the independent contractor and one geared towards the business hiring an independent contractor. The 10th edition, completely updated to provide the latest rules and regulations, includes a useful chapter on agreements for gig workers. With downloadable forms, download all the forms you need to draw up a solid contract, details inside.
