## **ROMEO AND JULIET**

The Classic Movie Romeo and Juliet that we've watched last time presents a good example of a classical romance and tragic love. As I watched the movie, it gives me a thrilling and challenging sensation on how Romeo and Juliet will overcome the challenges that are continuously provided throughout the movie. The movie have so much emotions that it bring tears to one of my classmates particularly at the ending part. One of the best challenges that Romeo and Juliet are facing is when the father of Juliet decide to give the hand of Juliet to a noble man, maybe in exchange of name, position in the society and wealth. And also the biggest problem of Romeo and Juliet throughout the movie is the feud between their families.

At the very first start of the movie it shows a competitive young men's competing for a game but the way they stare on each other you will easily notice that there are ongoing feud between them, it may seem as a game for others but to them if they will lose, the pride they are holding will be crushed. At the next part, After the game there are also a fight between the two families so I think at the start the main point of the movie is all about the feud between the two families. I may be correct in some cases but when I watched the third scene where Romeo attended the party on Juliet's house, he saw Juliet in its prettiest moments so he asked Juliet for a dance but a family related of Juliet saw Romeo. I became nervous at that moment because I think there first meet-up would be a mess but hopefully it's not.

So jumping at the most Crucial Part where Juliet's father gives her hand for marriage to some noble man that came from a powerful and wealthy family. I sympathized with Juliet's feeling because it really hurts deep inside to marry someone you just known for a couple of day and take note you only meet for one day. In this part shows the power of parent's over a child, it governs the emotion, the judgement and etc. Juliet thinks about committing suicide their but the father or some
