Hazard Management and Emergency Planning Dennis Parker, John Handmer, 2013-06-17 This book assesses critically the British approach to hazard management and emergency planning It identifies the principal legal organizational and cultural impediments to more effective hazard management and emergency planning postulates explanations for the shortcomings in the British approach and examines a number of promising avenues for improving current practice It comprises 18 chapters written by experts with a wide range of practical experience in the many different aspects of the field Many of the authors introduce international perspectives and comparisons From it all the editors conclude sadly The overall hazard and emergency management approach currently adopted in Britain appears to be inadequate and current standards of protection appear to be inefficient for the 1990s and beyond

Catastrophic Incentives Jeff Schlegelmilch, Ellen Carlin, 2023-10-03 Silver Award Winner 2024 Nonfiction Book Awards Societies are vulnerable to any number of potential disasters earthquakes hurricanes infectious diseases terrorist attacks and many others Even though the dangers are often clear there is a persistent pattern of inadequate preparation and a failure to learn from experience Before disasters institutions pay insufficient attention to risk in the aftermath even when the lack of preparation led to a flawed response the focus shifts to patching holes instead of addressing the underlying problems Examining twenty years of disasters from 9 11 to COVID 19 Jeff Schlegelmilch and Ellen Carlin show how flawed incentive structures make the world more vulnerable when catastrophe strikes They explore how governments the private sector nonprofits and academia behave before during and after crises arguing that standard operational and business models have produced dysfunction Catastrophic Incentives reveals troubling patterns about what does and does not matter to the institutions that are responsible for dealing with disasters The short termism of electoral politics and corporate decision making the funding

structure of nonprofits and the institutional dynamics shaping academic research have all contributed to a failure to build resilience Offering a comprehensive and incisive look at disaster governance Catastrophic Incentives provides timely recommendations for reimagining systems and institutions so that they are better equipped to manage twenty first century threats

The Heartbreaker Susan Howatch,2007-12-18 Deftly combining the sacred and the profane the unmistakable hallmark of her fiction over the past decade Susan Howatch gives us a spellbinding suspenseful and psychologically intense new novel The financial heart of London the City is an adrenaline charged square mile deep in recession in the 1990s a place where sex is just another commodity to be bought and sold in the marketplace And the City is where the life of Gavin Blake who sells sex to high flyers is finally about to unravel In the center of the City is St Benet s a church that ministers to the casualties of this affluent but amoral society Carta Graham the St Benet s fundraiser is at once attracted to Gavin when they meet through a mutual friend but slowly she realizes that she has entered a relationship far more complex than she could ever have imagined Gavin is desperate to escape from his world of prostitution pornography and violence but as his involvement with Carta and St Benet s deepens the dangers that encircle him escalate until his life itself is on the line Carta is determined to help him but will their mysterious journey together be lifesaving or soul destroying All she can do is fight her hardest to help Gavin survive Consistently surprising and powerfully moving The Heartbreaker is Susan Howatch s most gripping novel yet
