Recipe For Raising A Child:

Raising Beaut Kids Mark Le Messurier, Bill Hansberry, 2013 Beaut Kids just don't happen. It takes some thinking, planning, and practice. With this in mind, we've created a cookbook styled parenting book packed with sensible, straightforward ideas for parents to place into action. We want to ignite your thinking about how you choose to parent. Each chapter offers a typical tricky scenario that parents often face with their children and young teens, accompanied with the ingredients that usually fire things up. Then we offer a Recipe rescue as an optimistic problem solver, a practical way to respond to kids when they serve up those awkward and tricky behaviours. Raising Beaut Kids has as much to do with our relationship with them as it has to do with shaping their behaviour; the two go firmly hand in hand. We've decided that parents deserve honesty, so there's no tiptoeing around the issues in this book because our children are too precious to compromise. **Raising Kids with Love, Honor, and Respect** Edie Jones, 2015-02-10 Raising Kids With Love, Honor, and Respect Recipes for Success is the manual kids don't come with. Like the time honored Betty Crocker Cookbook, it is full of down-to-earth, basic ideas to fall back on over and over. Using essential ingredients to find solutions to everyday challenges will lead to savoring your time with any child. Instead of walking on eggshells in fear of making a mistake, you will learn to adjust the temperature of the situation to result in calm, relaxed interactions. When relationships are seasoned with unconditional love and peppered with lots of honor and respect, the results will amaze and delight, creating the piece de resistance of parenting experiences.
