would request time after time The more people I talked to about their recipes the more people would come to me because they heard I was looking for Lindsey's favorites What started out to be just a little booklet was turning into a full fledged cooking encyclopedia I gave Lindsey the small unedited version for Christmas that year with the understanding that I needed it back so that I could put together the other recipes I had collected I continued working on my book and what started out as a forty page cookbook was now over one hundred pages This book contains a conglomeration of recipes from friends family and even Lindsey as well as from me and my fianc Curt We have all contributed our best loved favorite recipes No matter who contributed the recipes they are all contributed with love After all that was the original intent of my gift to my daughter Finally I give this gift to Lindsey with all my love
