Recipe For Madagascar Banana Fritters:

We Visit Madagascar Tammy Gagne,2012-09-30 Just off the southeastern coast of Africa there lies the island country of Madagascar It is home to a wide variety of animals and plants that can t be found anywhere else on earth But these aren t the only things that separate this amazing land from the rest of the African continent Life in Madagascar is different from anywhere else in the world The people and the island itself seem to live in their own time moving towards the future at their own pace Of course Madagascar and the Malagasy people have their own history as well as their share of problems But with its rich culture and wildlife Madagascar is a fascinating place with much hope for the future
