Once you've got the hang of it, you can try making all sorts of cool patterns!

Multicolor Star

Star Burst

Daily Starburst

What You'll Need

- 33 white bands
- 6 purple bands
- 6 red bands
- 6 neon orange bands
- 6 yellow bands
- 6 lime green bands
- 6 teal bands
- 6 dark purple bands
- 1 white hooking band
- 1 clasp

Look It Up!

Leading this loom is pretty easy. Place a starting band at the bottom. Lead up the left column, then lead up the right column. Then, create the starbursts with six bands each. Make sure you go exactly the order shown. The last step is to add one double looped band to the single peg in the center of each of the starbursts. Then all are in the top middle peg or well (Steps 4-6-8). There's nothing tricky about this (just loop the band over the peg and then loop it on again, as if you're tying your shoelace with a chain start).

Get Loopin'

1 Turn the loom so the arrow faces down. Push your hook down into the groove of the bottom middle peg, and hook the first band beneath the double looped band in the bracelet. It's purple! Loop the band to the peg directly above it.

2 Next, push your hook down into the groove of the center of the first starburst. Hook the band that is stretched from the center of the starburst down to the right in the bracelet. It's orange! Make sure you push your hook down through the white double looped band.

3 Loop the band you hooked to the peg to the bottom right, the peg it came from. The first band is the hardest to get right in each starburst.

4 Push your hook into the groove of the center peg of the starburst and hook the next band down, which is the one that is stretched from the center of the starburst up to the right. Loop it to the peg to the upper right.
