Late Victorian Britain 1875-1901 J.F.C. Harrison,2013-06-17 Drawing heavily on the recollections and literature of the people themselves Harrison places late Victorian Britain firmly in its social and political context Edwardian England: A Guide to Everyday Life, 1900-1914 Evangeline Holland,2014-01-12 Second edition of The Pocket Guide to Edwardian England newly revised and expanded The Edwardian Era simplified organized and easy to reference Aimed towards writers of historical fiction though genealogists Downton Abbey fans and the curious alike will find this an excellent starting point for their own research Compiled from lectures and blog posts on Edwardian Promenade as well as 70% more original content Edwardian England A Guide to Everyday Life 1900 1914 poses to give a entry level but thorough look at the time period made popular by Downton Abbey and Mr Selfridge **English Farmworkers and Local Patriotism, 1900-1930** Nicholas Mansfield,2017-03-02 This new study looks at the ways in which the years surrounding the First World War shaped the lives of the rural workforce in Britain and how the patriotism unleashed by the war was used by those in power to blur class divisions and build conservative attitudes in rural communities Using the area of Shropshire and the Marches as a focus the book looks at farmworkers and their trade unions the structures of agrarian economy class divisions local loyalties cultural institutions and political organisations From 1917 the growing power of the farmworkers unions and the rural labour movement mounted a challenge to the landed elites and sought a radical change from rural poverty The author shows how the elites met this threat dynamically by creating a range of new village institutions such as ploughing matches Women s Institutes village halls war memorials and the British Legion The extraordinary growth of rural radicalism at the end of the war was diffused by popular conservatism and local patriotism Influenced by wartime experiences the period 1900 1930 saw

a change in rural society from parochial concerns to a new sense of loyalty to county and to the English nation The Wellesley Index to Victorian Periodicals 1824-1900 Walter Edwards Houghton, 1972-09 Simply a great work of reference Future scholars will wonder how anybody managed without the Wellesley Index It will quietly change the whole nature of Victorian studies Christopher Ricks New Statesman It is now impossible to think of Victorian literary and historical studies without the benefit of it this is a very remarkable achievement indeed the complete set will be a monument to the Houghtons foresight pertinacity and skill TLS **The Wellesley Index to Victorian Periodicals 1824-1900** Walter E. Houghton, 2013-05-24 Simply a great work of reference Future scholars will wonder how anybody managed without the Wellesley Index It will quietly change the whole nature of Victorian studies Christopher Ricks New Statesman It is now impossible to think of Victorian literary and historical studies without the benefit of it this is a very remarkable achievement indeed the complete set will be a monument to the Houghtons foresight pertinacity and skill TLS England's Rural Realms Edward Bujak, 2007-10-24 The English countryside in the nineteenth century experienced the shifting power struggle from the great landed estates towards democratisation Challenging received scholarship that the landed estates declined in power and patronage Bujak places the Victorian globalisation of trade alongside the democratisation of the English countryside By doing so he reveals that the economic decline of the great landed estates was balanced by their continued social and political influence in the countryside up to the Great War With its focus on Suffolk a county at the forefront of agricultural improvement and thus hardest hit by the agricultural depression the patterns revealed by England's Rural Realm demonstrates the durability of the great estate system across the English countryside The Allotment Movement in England, 1793-1873 Jeremy Burchardt, 2002 The living standards of the rural poor suffered a severe decline in the first half of the nineteenth century as a result of high population growth changing agricultural practices enclosure and the decline of rural industries Allotment provision was the most important counterweight to the pressures This book offers the first systematic analysis of the early nineteenth century allotment movement providing new data on the chronology of the movement and on the number geographical distribution size rents cultivation yields and effect on living standards of allotments showing how the movement brought the culture of the rural labouring poor more closely into line with the mainstream values of respectable mid Victorian England This book casts new light on central aspects of early and mid nineteenth century social and economic history agriculture and rural society JEREMY BURCHARDT is lecturer in Rural History University of Reading The Hidden History of the Smock Frock Alison Toplis, 2021-04-22 Winner of the Association of Dress Historians Book of the Year Award 2022 Traditionally associated with rural ways of life in England often hand crafted and held up as one of the only items of English folk dress to survive into the 20th century the smock frock is an object of curiosity in many museum collections Drawing on a wide variety of sources from surviving garments to newspapers and photographs this book reveals the hidden history of the smock frock to present new social histories Discussing the smock

frock in its widest contexts Alison Toplis explores how garments were handmade and manufactured by the ready made clothing industry and bought by men of different trades She traces the smock frock s usage across England as well as in export markets such as Australia Following the garment s decline in the late 19th century the book investigates how this essentially utilitarian style of workwear came to be held up as an example of disappearing peasant craft in an emotional response to urbanisation and how it was preserved by collectors under the influence of the Arts and Crafts movement Around the turn of the 20th century the smock frock was reinvented as both women s and children s wear and is now regularly revived in fashion collections by the likes of Molly Goddard Drawing together extensive visual and material cultures Alison Toplis unravels a new history of the smock frock

History of Everyday Life in Scotland, 1800 to 1900 Graeme Morton,2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people s anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed

The Great Thorpe Railway Disaster 1874 Phyllida Scrivens,2021-11-30 The Great Thorpe Railway Disaster of 1874 is the third title from Norwich writer and biographer Phyllida Scrivens who lives less than half a mile from the site of the fatal collision At Norwich Station on 10 September 1874 a momentary misunderstanding between the Night Inspector and young Telegraph Clerk resulted in an inevitable head on collision The residents of the picturesque riverside village of Thorpe Next Norwich were shocked by a deafening peal of thunder sending them running through the driving rain towards a scene of destruction Surgeons were summoned from the city as the dead dying and injured were taken to a near by inn and boatyard Every class of Victorian society was travelling that night including ex soldiers landowners clergymen doctors seamstresses saddlers domestic servants and a beautiful heiress For many months local and national newspapers followed the story publishing details of subsequent deaths manslaughter trial and outcomes of record breaking compensation claims The Board of Trade Inquiry concluded that it was the most serious collision between trains meeting one another on a single line of rails that has yet been experienced in this country Using extensive research non fiction narrative informed speculation and dramatised events Phyllida Scrivens pays tribute to the 28 men women and children who died revealing the personal stories behind the names hitherto only recorded as a list

The Women's Land Army in First World War Britain B. White,2014-07-16 Between 1917 and 1919 women enlisted in the Women s Land Army a national organisation with the task of increasing domestic food production Behind the

scenes organisers laboured to not only recruit an army of women workers but to also dispel public fears that Britain's Land Girls would be defeminized and devalued by their wartime experiences *The Agrarian History of England and Wales*

Edward John T. Collins, Joan Thirsk, 2000 The unifying theme of this volume is the changing role of the countryside in national life and the impact upon it of the social and economic forces unleashed by industrialisation and the growth of towns *The English Countryside Between the Wars*

Paul Brassley, Jeremy Burchardt, Lynne Thompson, 2006 Organised into sections on society culture politics and the economy and embracing subjects as diverse as women novelists and village crafts this book argues that almost everywhere we look in the countryside between the wars there were signs of new growth and dynamic development **Landless Households in Rural Europe, 1600-1900**

Christine Fertig, Richard Paping, Henry French, 2022 First comparative study of landless households brings out their major role in European history and society The numbers of landless people those lacking formal rights to land or possessing only tiny smallholdings grew rapidly across post medieval Europe as rural population and economic growth divided landowners and farmers from increasingly landless rural workers But they have hitherto been relatively neglected a gap which this volume covering Scandinavia Germany Austria Netherlands Belgium Britain France and Spain from the sixteenth to the early twentieth centuries aims to fill making creative use of a diverse range of unexplored sources Instead of concentrating on the well documented cases of landholding peasants it explores the many different experiences of the numerous rural landless It explains how their households were formed often in the face of economic difficulties and official hostility how all the members of a family contributed to its survival how the landless related to other social groups and negotiated access to vital resources and how they adapted as rural society was changed by war politics agrarian and industrial development government policy and welfare systems Contributors Arnau Barquer i Cerd John Broad Dieter Bruneel Christine Fertig Henry French Margareth Lanzinger Jonas Lindström Riikka Miettinen Richard Paping Wouter Ronsijn Merja Uotila Nadine Vivierlated to other social groups and negotiated access to vital resources and how they adapted as rural society was changed by war politics agrarian and industrial development government policy and welfare systems Contributors Arnau Barquer i Cerd John Broad Dieter Bruneel Christine Fertig Henry French Margareth Lanzinger Jonas Lindström Riikka Miettinen Richard Paping Wouter Ronsijn Merja Uotila Nadine Vivierlated to other social groups and negotiated access to vital resources and how they adapted as rural society was changed by war politics agrarian and industrial development government policy and welfare systems Contributors Arnau Barquer i Cerd John Broad Dieter Bruneel Christine Fertig Henry French Margareth Lanzinger Jonas Lindström Riikka Miettinen Richard Paping Wouter Ronsijn Merja Uotila Nadine Vivierlated to other social groups and negotiated access to vital resources and how they adapted as rural society was changed by war politics agrarian and industrial development government policy and welfare systems Contributors Arnau Barquer i Cerd John Broad Dieter Bruneel Christine Fertig Henry French Margareth Lanzinger Jonas Lindström Riikka Miettinen Richard Paping Wouter Ronsijn Merja Uotila Nadine Vivier

Manliness in Britain, 1760-1900 Joanne Begiato, 2020-02-28 This book offers an innovative account of manliness in Britain between 1760 and 1900 Using diverse textual visual and material culture sources it shows that masculinities were produced and disseminated through men's bodies often working class ones and the emotions and material culture associated with them The book analyses idealised men who stimulated desire and admiration including virile boxers soldiers sailors and blacksmiths brave firemen and noble industrial workers It also investigates unmanly men such as drunkards wife beaters and masturbators who elicited disgust and aversion Unusually Manliness in Britain runs from the eras of feeling revolution and reform to those of militarism imperialism representative democracy and mass media periods often dealt with separately by historians of masculinities British Economic and Social History R.
