The Russound Difference

Since 1967, Russound has been building advanced audio products designed to bring exceptional sound into the home. By specializing in professionally installed audio systems, Russound has gained extensive insight into building some of the best audio amplifiers and audio distribution systems available on the market today. Russound products have been recommended and supported by audio / video integration companies, home theater professionals, home builders, interior designers and architects throughout the USA and more than 80 countries around the world. Russound has used the knowledge gained from our residential and commercial installations to craft these new streaming products to enable high quality audio to be streamed anywhere in the home. The features, controls and performance built into our streaming products make them the audio professional's first choice when recommending streaming solutions for clients.
