Unholy Hungers Barbara E. Hort, 1996-06-18 Vampires are not just imaginary creatures of fiction or legend they really exist They are the people who having never received love settle for power instead and become experts at robbing others of their vital energy We've all known them In her fascinating study of this dark psychological archetype Barbara Hort looks to traditional myths as well as to their modern equivalents in literature theater and film following a blood soaked trail to such unexpected destinations as *The Silence of the Lambs* *Snow White* and the Broadway musical *Gypsy* She offers insight into how psychic vampires originate how we allow ourselves to be caught in their clutches and how we can protect ourselves from their seductive influence **The Vampire Files, Volume One** P. N.
