No Man Left Behind Patrick Morley, David Delk, Brett Clemmer, 2008-09-01 David Murrow's book Why Men Hate Going to Church has heightened awareness of an epidemic Patrick Morley offers the solution No Man Left Behind is the blueprint for growing a thriving men's ministry that has the power to rebuild the church as we know it pulling men off the couch and into active involvement as part of the body of Christ Church of God Evangel, 2001 **Discipleship by Design** Harvey A. Herman, 2008-08-06 As Jesus walked beside the Sea of Galilee he saw Simon and his brother Andrew casting a net into the lake for they were fishermen Come follow me Jesus said and I will make you fishers of men The relationship between Jesus and these brothers started with the simple words Come follow me In essence a disciple of Jesus is a follower Eventually Jesus twelve followers will change the world However it is an inconspicuous and unremarkable beginning for an eventual team of world changers don't you think How will an assortment of unschooled ordinary men be transformed into courageous and substantive heralds in just three short years Transformation complete and deep seated transformation is the answer How does a total metamorphosis take place within a new follower Jesus discipleship begins with a personal relationship and an invitation to join a missional community Before followership is a program it is a leadership development process experienced within a culture This book seeks to initiate a dialogue on how to foster a culture of discipleship No program can fulfill The Great Commission However a community of believers committed to transforming the world through the process of disciple making can Harvey A Herman is a missionary serving university students Over the previous three decades he pioneered five campus groups pastored a university church in Seattle and served on the national staff of Chi Alpha Christian Fellowship Presently he serves as area director over the Northeast His doctorate is in strategic leadership and organizational management **Pastor Appreciation Book of Ideas** Church of God Men's Discipleship, 2015-01-29 Pastor Appreciation Book of Ideas God speaks about pastors in Jeremiah 3:15 And I will give you shepherds according to My heart who will feed you with knowledge and understanding Pastors are special people They are leaders spiritual guides and partners in ministry Although local churches appreciate pastors all year long it is good to set aside one Sunday to especially let them know they are loved and respected This is the focus of Pastor Appreciation Sunday and the special events sponsored during the week This Pastor Appreciation Book of Ideas is a must have providing hundreds of thoughts and ideas to help make Pastor Appreciation Day a highlight on your church calendar of events This is a book filled with ideas to help congregation honor their pastor **The Disciple**, 1981 **More Than a Fisherman** Jim Grassi, 2014-07-01 Spiritual mentoring or discipleship is a relational process that requires people to become actively involved in their faith Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christlike attitudes and behavior in the context of relational environments It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution In More Than a Fisherman Dr Jim Grassi provides guidance for

men who desire to mentor others or to be mentored using Jesus and the twelve disciples as a model Designed to be used as a companion to *The Spiritual Mentor* and *Building a Ministry of Spiritual Mentoring* this manual is for use during times of mentoring and suggests types of exercises and activities two men can do together Features include Fishing theme including information on how the disciples fished Archaeological facts with illustrations and photographs of fishing artifacts Activity suggestions for mentoring sessions

Building a Ministry of Spiritual Mentoring Jim Grassi, 2014-04-01 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today's vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to men and the struggles they face today Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Men are desperate for meaningful relationships both with God and other men Building a Ministry of Spiritual Mentoring will help churches and ministry leaders create dynamic environments for men to experience real transformation and develop authentic Christian relationships This proven method will assist your church or group in effectively developing and deploying a ministry of spiritual mentoring Features include Metaphors anecdotes and practical applications Proven tools for developing a ministry around spiritual mentoring Discussion questions

Crossing the Discipleship Chasm Matt Lake, 2024-09-10 When the road ahead seems too challenging for a conventional approach staying put is not an option This may feel like the reality of today's ministry landscape Helping others follow Jesus is no longer straightforward the path often seems blocked by cultural obstacles But we cannot stay where we are What's needed is a higher way a path that rises above the challenges strong enough to support your journey yet flexible enough to adapt to the changing terrain In *Crossing the Discipleship Chasm* pastor and consultant Matt Lake draws from deep experience in ministry to introduce a transformative approach that revives the original mission of the church adaptive discipleship Grounded in thorough research and tested relationships his method offers a way forward Too often local churches in their anxiety jump to quick programmatic solutions to address the lack of discipleship happening in their settings However jumping to a solution that ignores the context and deeper issues of the problem only leads to surface level technical responses It will never work in the long run His solution How to apply an adaptive approach to the issue of discipleship through a series of life giving tensions If you're ready to bridge the gaps in your ministry you need both a reliable path and a wise guide With Lake's direction discover the confidence and courage to lead others on the journey toward life

The Spiritual Mentor Jim Grassi, 2013-11-26 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today's vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to the struggles men face today Discipleship is a

relational process that requires people to become actively involved in their faith Devoted and active men can change the direction of our culture Most importantly God has commanded men to be the leaders in the home church and community Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose Features include Metaphors anecdotes and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process Dr Grassi illustrates the how to thru practical examples of situations we all know and can relate Dr Grassi sets the tone for a modern day Haggai in being strong and staying courageous putting in the effort by serving and working at the process and lastly knowing that God never leaves your side and is always with you This book is a must read and must have for reference of every men s ministry leader Darrel Billups NCMM Executive Director Our men s small group just finished reading and discussing The Spiritual Mentor We found the book to be challenging informative and very practical The stories and illustrations are captivating giving insight into principles and techniques of discipleship As fathers and grandfathers we want to first be a positive influence on our families and then on others with whom we come in contact This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord to make disciples Thank you for sharing your insight and experiences with us Norman Thomas Administrative Pastor Valley Assembly The Congregationalist ,1918 Disciples Making Disciples Gael Gensler, osf, Timothy A. Johnston, Corinna Laughlin, Kyle Lechtenberg, 2017-09-29 Encourage your assembly to fulfill their baptismal mission of helping to form new Christians with Disciples Making Disciples Print and Digital Resources for Forming the Assembly To help bring people to faith and welcome them into the Catholic Christian community parishes need an engaged assembly They need disciples ready to welcome and support the newcomers in their journey to share their faith and to fully consciously actively participate in the initiation rites *The Sabbath Recorder* ,1920 **The Presbyterian** ,1905 *Deacon Training* Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is

strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons Vanderbilt Alumnus ,1925 **The Watchman-examiner** ,1929 **The Oberlin Evangelist** ,1845
