The Pathwork of Self-Transformation Eva Pierrakos, 2013-06-19

The gift of Eva Pierrakos's Pathwork has been with me for twenty years. It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams. Each time I read it I am amazed at the depth and breadth of wisdom and love it teaches. It is a practical way of truth that will change your life. Barbara Ann Brennan, author of *Hands of Light* for more than twenty years, Eva Pierrakos was the channel for a spirit entity known only as the Guide. Combining rare psychological insight with an inspiring vision of human possibility, the Guide's teachings, known as the Pathwork, have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork. Under such headings as *The Idealized Self Image*, *The Forces of Love Eros and Sex*, *Emotional Growth and Its Function*, *Real and False Needs*, and *The Spiritual Meaning of Crisis*, the Pathwork outlines the entire process of personal spiritual development. Unlike many over-idealized philosophies, the Pathwork confronts our devils as well as our angels, our all-too-human failings and petty ego concerns as well as our divine strengths. It shows us how to accept ourselves fully as we are now and then to move beyond the negativity or lower self that blocks our personal and spiritual evolution. It offers a practical, rational and honest way to reach our deepest creative identity. I would advise that this book be read with a willingness to take time to digest what the Guide says. This is not light reading, though it is light reading. I assure you I find an enormous compatibility between these lectures and Emmanuel's teachings. What a wonderful gift to a wonderful world. Pat Rodegast, author of Emmanuel's Book

Healing Our Children Ramiel Nagel, 2009. Nagel reveals the actual cause of the following diseases: Birth Defects, Sudden Infant Death, Autism, Infertility, Colic, Tooth Decay, Miscarriage, Infant Mortality, Morning sickness, Premature Birth, Scoliosis, Postpartum Depression, and Mental Disabilities. The true cause is our toxic foods, our toxic medicines, our toxic environment, and our toxic world. In knowing this and learning to make wise choices, you become empowered to prevent these conditions.

The Devil Deal Austin Lineback, ***Manifest Your Magnificence*** Joan E. Walmsley, 2015-10-22. This book brings together energetic science and universal spiritual intelligence in a way that is understandable and practical. If you are ready to take responsibility for your life and manifest your own magnificence, this is for you. Susan T. Loree,2017-11-09 Many of us relate to the feeling that when they handed out the Guidebook For Life we must have been out to lunch It seems we missed the talking points about how this crazy place is run Come to find out there are an infinite number of laws that govern everything that happens This book makes no claim to be comprehensive in covering them all And not everything included here is really a law but more like a telling of how it is here s how this sphere works If we re willing to take in this sampling of teachings we ll start to grasp that there s a method That someone or something is behind life pounding out a plan So gather round and listen up because there are important guidelines we could all stand to know more about and the hammer is about to drop
