Massachusetts scholars to teach at the University of Virginia His nationalist point of view is most evident where some historians claim to see it least in his opinions of the people and politics of New England He admired New Englanders Revolutionary patriotism especially that of his friend John Adams and considered their direct democracy and town meeting traditions a model for the rest of the Union ABA Journal ,1956-10 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
