Strong Women of Biblical Times Kathryn Charles, 2011-12-16. When recording the stories of daring human exploits the authors of the Bible seemed to have concentrated on the heroic men of ancient times such as Moses Joshua Samuel David Jesus Peter Paul and John to name just a few. The stories of those courageous men are thrilling to hear and to read about however this narrative will consider the strong brave and valiant women in the Bible whose lives were not as embellished as their famous counterparts but still were influential in shaping the history of biblical times. According to Dr Lockyer in *All the Women of the Bible* there are approximately two hundred named women in the Bible and an equal number of unnamed women. Out of the sixty six books contained in the Holy Bible there are only two of them named for women Ruth and Esther nevertheless women can be seen throughout the Old and the New Testaments being used by God in mighty ways. Despite the patriarchal society of biblical days there were strong women who played significant roles in leadership courage humility and compassion in ancient times. The purpose of this writing is to highlight a few of these women and to give the reader insight into the character of each individual. It will also tell of the motivation for the strength of each one and the consequences of her actions.
