Paul And The Faithfulness Of God:

Paul and the Faithfulness of God Nicholas Thomas Wright, 2013 *Paul and the Faithfulness of God* N. T.

Wright, 2013-11-01 This highly anticipated two book fourth volume in N T Wright's magisterial series *Christian Origins and the Question of God* is destined to become the standard reference point on the subject for all serious students of the Bible and theology. The mature summation of a lifetime's study, this landmark book pays a rich tribute to the breadth and depth of the apostle's vision and offers an unparalleled wealth of detailed insights into his life times and enduring impact. *Paul and the Faithfulness of God* Nicholas Thomas Wright, 2013 Tom Wright's long awaited full length study of St Paul will not in any way disappoint the high expectations that surround it. From the very first sentence it holds the attention, arguing a strong, persuasive, coherent and fresh case supported by immense scholarship and comprehensive theological intelligence. It is a worthy successor to his earlier magisterial studies of the themes of the Kingdom and the Resurrection, lively, passionate and deeply constructive, laying out very plainly the ways in which the faith of the New Testament is focused on God's purpose to re-create through the **God and the Faithfulness of Paul** Christoph Heilig, J. Thomas Hewitt, Michael F. Bird, 2017-04-01 N T Wright's magnum opus *Paul and the Faithfulness of God* is a landmark study on the history and thought of the apostle Paul. This volume brings together a stellar group of international scholars to critically assess an array of issues in Wright's work. Essays in Part I set Wright in the context of other Pauline theologies. Part II addresses methodological issues in Wright's approach, including critical realism, historiography, intertextuality and narrative. In Part III, on context, scholars measure Wright's representation of early Judaism, Greek philosophy, paganism and the Roman Empire. Part IV turns to Wright's exegetical decisions regarding law, covenant and election, the New Perspective, justification and redemption, Christology, Spirit, eschatology and ethics. Part V at last speaks to the implications of Wright's work for the church's theology, sacraments and mission, and for global responsibility in a postmodern age. The volume includes a critical response from Wright himself.
