What is Payroll?

The term **"Payroll"** is associated with several meanings and is interchangeably used as an umbrella term for:

- A group of people employed by an organization depicting their earnings.
- The total number of employees working with a company or an economy.
- The amount of money paid to the people employed by a particular company.
- The complete chain of tasks for managing the money paid to the employees.

With that being said about the subject, the most widely accepted **payroll meaning** is the 4th one, i.e., Payroll is an operation that includes a gamut of tasks starting from onboarding a new join on payroll, establishing payroll policies, defining pay components, gathering inputs, calculating and verifying payout, processing salary, distributing payslips, tax-filing, accounting, and reporting.
