Pays De Sardane:

Sardana Encore Ray Harwood, 2015-07-28 Peter's architectural ability removed him from his Spanish homeland spiriting him off to London and a brief sojourn in Malaysia yet he was always magnetised back to the biggest love in his life his mother Sardana Encore welcomes the reader back like an old friend The now thriving Martinez hotel reaches the end of its first season and Pedro influenced by the family priest to see himself as Peter the international traveller prepares to begin studies in London and life with flatmates who in time join the family circle However milestone events on his journey leave an indelible mark on his life A balance is struck to no lesser extent than the fairytale romantic interlude in Malaysia where Peter's emotional taste buds are discovered In the UK as he embarks on a successful career his Catalan ties still bind and seeds there take root and the bitter fruits of an ancient enmity are laid ready to be reaped **Pays de Sardane** Joseph
