for Mosby's Dental Hygiene Susan J. Daniel, Bonnie Francis, Sherry A. Harfst, Rebecca Wilder, Shannon H. Mitchell, 2007 This study guide companion to Mosby's Dental Hygiene Concepts Cases and Competencies 2nd Edition draws the student in using a friendly question and answer format that explains how's, what's, where's and why's of the content. The answers to these questions tie into features from the main text including the Insight Statement, Learning Outcomes, Case Studies and Case Applications, Review Questions and answers as well as Critical Thinking Activity Worksheets encourage students to practice their knowledge and skills after reading the text chapter and to prepare for exams. Follows a format consistent with the main text and allows students to become familiar with the pattern and focus on learning the content. A conversational question and answer format makes material less intimidating and immediately demonstrates the benefits of working on the exercises. Frequent references to main text content such as Insight Statement, Learning Outcomes and Case Study help student retain the information better through repetition. Critical Thinking Activities help students practice application of concepts to everyday life and reach a better understanding of the dental hygienist's role. Topics to Debate feature challenges students to consider the ethics and proper application of dental hygienist skills to real life situations they are likely to encounter. Patient Education Links encourage students to access the Internet or Evolve site for additional sources or agencies for more information on topics related to the text. Encourages self assessment with Process Performance forms that allow students to grade themselves on whether or not they have developed the skills necessary to meet the Learning Outcomes in the chapter. Review questions, answers and rationales at the end of the study guide help students review material and prepare for boards. Sample forms and patient education handouts provide sample dialogues and questions to ask patients when interacting in the dental office and help students contribute to successful dental hygienist practices.

Mosby's Review Questions for the National Board Dental Hygiene Examination Mosby, 2013-12-15 Offering the most realistic NBDHE review and practice available, Mosby's Review Questions for the National Board Dental Hygiene Examination includes both a print book and companion website to prepare you for exam success. In the book you'll review with more than 1,250 Component A practice questions with each answer including a rationale for both correct and incorrect answer options. Online you can review the same questions plus an additional 420 case-based items related to Component B in 1 practice mode or 2 timed exam simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q & A resource is an excellent supplement to any NBDHE content review book. More than 1,680 multiple choice questions provide comprehensive practice spanning the entire NBDHE with 1,250 items relating to Component A more than six times the number of questions on the actual exam and 420 case-based questions related to Component B. Rationales accompany each question fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review. Distribution of questions matches each category on the NBDHE test specifications ensuring that you have adequate practice for each content area. An Evolve companion

website includes all 1 250 questions from the book plus additional case studies with color images and accompanying questions available either in practice mode with instant feedback or in exam simulation format with results and feedback provided at the end of the exam A test creator and timer on Evolve generates NBDHE style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam 16 detailed case studies on Evolve each of which includes a patient medical dental history completed periodontal chart oral radiographs clinical photographs and 20 35 multiple choice questions for patients in the five main categories covered on the NBDHE adult periodontitis pediatric geriatric special needs and medically compromised References to text sources make it easy to review or find more information on specific topics
