Your Guide to Standards-Based Report Cards

Dear Parents,

When you receive your child's report cards for Grades K-4, you won't see any letter grades! We have made a major positive change to assessment and reporting at _____ Elementary, and there are no more A, B, C, D, or Fs. Instead, students will be assessed directly on their performance of the Ohio State Learning Standards and will receive an M, P, N, or U for every standard to show their progress. We believe this approach will increase student achievement.

This guide will help you understand how to read the report card, empower you to participate in your child's education, and keep you informed to the benefits of this approach. It took hard work and new mindsets to make this change, and I am so proud of our teachers and excited for your children! If you have any questions, please reach out.
