| - The beginning is catchy and intriguing If I used a flashback, it fits in smoothly I present the events in the middle in chronological order All events are important to the narrative. Nothing goes off track I bring my autobiography alive with strong details My personal voice comes through clearly The ending wraps up the narrative of my life My writing has very few grammar or spelling mistakes. | - My beginning could be more interesting. - If I used a flashback, it needs a smoother transition into the narrative. - Some events in the middle are out of order. - Here and there, my autobiography wanders off. - I've used details, but I need more. - Some passages have voice, but others sound flat. - I need an ending that fits the narrative. - I have some mistakes to correct. | The beginning is dull. If I used a flashback, it isn't working. The sequence of events doesn't make sense. Not much happens. I use few details. A narrative doesn't take shape. There is no middle. My personal voice is missing. My autobiography trails off. It needs a solid ending. I have so many mistakes that my autobiography is hard to read. | - There is no real beginning - I only wrote a few sentences - There is no sequence to my sentences - There is no story to tell - The only thing I organized were my excuses |
