Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest
