Russia And Development:

International Cooperation in the Development of Russia's Far East and Siberia J. Huang, A. Korolev, 2015-04-30 Russia's new pivot to Asia increases the global significance of Russia's Siberia and Far East. The contributors recognized experts from Russia, China, South Korea, Japan, Norway, and Singapore analyze political, economic, social, and geostrategic roadblocks in the Russia-Asia-Pacific relations, offering directions for further development.

The Strong State in Russia Andrei P. Tsygankov, 2014. While focusing on contemporary developments of the Russian state, this book highlights those developments' roots in the historic concept of autocracy. The central scholarly question is not whether Russia will recreate a strong state but rather what kind of a strong state it will be and under which circumstances it will function.

The Economic Development of Russia, 1905-1914 Margaret Miller, 1926

Russia Economic & Development Strategy Handbook Volume 1 Strategic Information and Programs IBP USA, 2013-08. 2011 Updated Reprint. Updated Annually. Russia Economic Development Strategy Handbook.

Exploring the Future of Russia's Economy and Markets Bruno S. Sergi, 2018-11-06. Based on the 2017 conference 'New Reality and Russian Markets' held at Harvard University, this book brings together world-renowned thinkers to offer the latest empirical research on recent financial risks, institutional policies, and financial stability.

Assisting Russia's Transition Gianni Zanini, 2002-01-01. This evaluation assesses the development effectiveness of the World Bank's lending and non-lending assistance to the Russian Federation since 1991, a 10-year period of tumultuous political, economic, and social change. This report concludes that an assistance strategy concentrating on analytical and advisory services with limited financial support for Russia would have been more appropriate than one involving large volumes of adjustment lending.

The Russian Far East Sergey Darkin, Vladimir Kvint, 2017-03-03. The Russian Far East is one of the most strategically important regions of Russia. The Russian Far East and the development of its manufacturing strength determine Russia's role in a major economic area of the world, the Asia-Pacific region. The degree to which the transportation, telecommunications, and social infrastructure of the Pacific coast of Russia are developed will predetermine the export potential of the country. This important research presents the strategic scenario for the most effective use of resources of the Russian Far East.

Sustainable Development, Regional Governance, and International Organizations Anastassia Obydenkova, 2024-06-28. This book aspires to establish a dialogue among the studies of sustainable development, global environmental politics, comparative regionalism, and area studies of Eurasia. The chapters in this book reflect deep knowledge of the authors of the main trends in environmental politics at global, international, and national levels before the invasion in Ukraine in 2022. First, the book looks into the role and impact of international organizations such as the European Union (EU), European Bank for Reconstruction and Development (EBRD), Arctic Council (AC), and Global Forums on Climate Action on post-Communist states but also the role of nation-states, e.g., Russia, Kazakhstan, and China. Second, the book explores relatively new international organizations such as the Eurasian Economic Union (EAEU), the Eurasian Development Bank, and the Shanghai

Cooperation Organization SCO How do the EAEU EDB and the SCO matter if at all in promoting an environmental agenda How do the EU EBRD and the AC advance the environmental agenda across the post Communist region This book aspires to answer these questions and to shed more light on the challenges to sustainable development in post Communist Europe Central Asia and Eurasia With a new foreword and afterword this book will appeal to students scholars and researchers of political science international relations area studies as well as practitioners and policymakers working in international organizations and dealing with challenges of sustainable development The other chapters were originally published as a special issue of Problems of Post Communism

The BRICS in International Development Jing Gu,Alex Shankland,Anuradha Chenoy,2016-09-29 This book offers a comprehensive comparative perspective on the increasingly significant development cooperation activities of the BRICS Providing a powerful set of insights into the drivers for engagement within each country it brings together leading experts from Brazil Russia India China South Africa and OECD countries The authors review the empirical evidence for the BRICS modes of development cooperation and their geographical reach and explore the historical background and patterns of international development engagement of each country They also present a cutting edge analysis of the broader geopolitical shifts distinctive ideologies and normative discourses that are influencing and informing their engagement in increasingly ambitious joint projects such as the New Development Bank This collection is essential reading for anyone seeking to understand the rapidly changing landscape of international development

Morozov, 2015-03-04 Pushing postcolonial studies and constructivist International Relations towards an uneasy dialogue this book looks at Russia as a subaltern empire It demonstrates how the dialectic of the subaltern and the imperial has produced a radically anti Western regime which nevertheless remains locked in a Eurocentric outlook

Russia's Turn to the East Helge Blakkisrud, Elana Wilson Rowe, 2017-12-29 This book is open access under a CC BY license This book explores if and how Russian policies towards the Far East region of the country and East Asia more broadly have changed since the onset of the Ukraine crisis and Russia's annexation of Crimea Following the 2014 annexation and the subsequent enactment of a sanctions regime against the country the Kremlin has emphasized the

eastern vector in its external relations But to what extent has Russia's pivot to the East intensified or changed in nature domestically and internationally since the onset of the current crisis in relations with the West Rather than taking the declared pivot as a fact and exploring the consequences of it the contributors to this volume explore whether a pivot has indeed happened or if what we see today is the continuation of longer duration trends concerns and ambitions

The Palgrave Handbook of Development Cooperation for Achieving the 2030 Agenda Sachin Chaturvedi, Heiner Janus, Stephan Klingebiel, Xiaoyun Li, André de Mello e Souza, Elizabeth Sidiropoulos, Dorothea Wehrmann, 2020-11-30 This open access handbook analyses the role of development cooperation in achieving the 2030 Agenda in a global context of contested cooperation Development actors including governments providing aid or South South Cooperation developing countries and non governmental actors civil society philanthropy and businesses constantly challenge underlying narratives and norms of development The book explores how reconciling these differences fosters achievement of the Sustainable Development Goals

Russia and Development Charles Buxton, 2014-12-11 Unique and insightful this book takes a look at Russia's development through the Tsarist and Soviet periods Rather than make the more familiar comparisons between Russia and the West Russia and Development focuses on political and social mobilization in adjacent Central Asia It examines the role of local government and civil society in development as well as popular responses to the policies of Putin and Medvedev aimed at modernizing Russia and forging a new Eurasia alliance in Russia's development neighbourhood The book uses local sources and case studies to pose important questions about the role of empire revolution nationalism and democratization in the twenty first century With unique insider knowledge Charles Buxton ultimately places Russia's current development model in an international context where Russia is increasingly becoming a competitor to Western led development practices Essential reading for anyone interested in the region or development thought and practice

The Economic Development of Russia, 1905-1914 Margaret Stevenson Miller, 1926

Russia's Policy Challenges Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia's policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia's future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major issue traces its evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge

Misinterpreting Modern Russia Bruno S. Sergi, 2009-07-01 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin's political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among

ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin s aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country s supposed history of tyranny and its people s inclination towards it These explanations shaped the West s understanding of modern Russia and they appear to be unshakeable in cultural circles today Bruno Sergi argues in this new study that the way to know the complete story behind how Putin s presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin s policies and responses Misinterpreting Modern Russia Western Views of Putin and his Presidency looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in recent years

Urbanization and Migration as Factors Affecting Global Economic Development Ushakov, Denis,2014-11-30

International migration and urbanization are potential solutions for stabilizing the global economy and bolstering local and regional economies However if unregulated they can also put market stability at risk and cause new social problems in both developed and developing countries Urbanization and Migration as Factors Affecting Global Economic Development takes a close look at the impact of urbanization and international migration on the global economy Studying the dynamics of these two phenomena in countries across the world as well as the varying successes of regional regulations this publication is a valuable resource for academics interested in further research in urbanization migration and global economic efficiency as well as policymakers involved in regulating international migration and urbanization

Russia And Development Introduction

In today's digital age, the availability of Russia And Development books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia And Development books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia And Development books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Russia And Development versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia And Development books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia And Development books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia And Development books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia And Development books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia And Development books and manuals for download and embark on your journey of knowledge?
