Whoop'S Apostrophe . . . ! #6 Murray L. Peters,2015-11-17 I said Id stopped but here it is 6 Such a horrible life isnt it Walking by these word errors everywhere Well trying to walk drive past them for me I cant stop spotting them though and still I get off the bus walk back or drive to photograph them record them for posterity No one cares anymore do they Bar me Surely some governmental edict has to be passed to make sure that such horrors are against the law Common law should deal with these oh so common mistakes Give me the job Whoops Apostrophe Terminator of going into these shops and reading the riot act Every time that I have mentioned an error I talk to people who just dont care and also look at me as if I were crazy Maybe I am Mistakes that I have been able to fix on my own are far too few I have done it the odd time on the sly via chalk or by me rubbing out the mistaken parts of Ap Sp errors Buy WA 1 6 Sometimes they get it right even on their ownthere is one example inside This is the last one Enjoy **PC World** ,2009 **Daily Graphic** Yaw Boadu-Ayeboafah,2006-10-04 *Electric Cars For Dummies* Brian Culp,2022-08-04 Drive into the 21st century in an electric car With falling cost of ownership expanded incentives for purchasing and more model and body type options than ever it may finally be time to retire the old gas guzzler and dive into the world of electric car ownership *Electric Cars For Dummies* is your guide to becoming lightning powered reducing your carbon footprint and saving money on gas while you do it This book teaches you how to select the battery charged vehicle that fits your need and budget It also offers insight into how to maintain your electric car including answering all your questions about charging your vehicle Calculate the total cost of ownership prep your home to become one huge charger and demystify the battery the tune ups and more Learn the difference in cost of ownership and emissions between electric and gas powered vehicles Explore your options and find an electric car that fits in your budget Know when and how to charge your vehicle and what kind of maintenance it needs Figure out how to charge your car on the go This is the perfect book for new and would be electric car owners looking for guidance on buying and maintaining one of these super sleek machines *Plunkett's Telecommunications Industry Almanac 2007* Jack W. Plunkett,2006-08 Presents a market research guide to the telecommunications industry a tool for strategic planning competitive intelligence or financial research This title includes a chapter of trends statistical tables and an industry specific glossary It provides profiles of the 500 companies in various facets of the telecommunications industry **License to Spill** Rachel Plotnick,2025-04-29 How everyday wetness from finger smudges sweat and spilled drinks to showering and swimming collides with consumers media devices designed to stay dry *License to Spill* investigates the everyday moments activities and spaces where media technologies and liquids collide from disastrous spilled drinks that corrode laptops and drops in the toilet that drown smartphones to the greasy finger smudges and sweat droplets that sully screens and glitch smartwatches Putting historical and present day case studies in conversation Rachel Plotnick considers how people s experiences with media devices inevitably encounter wetness and yet consumers not the companies who make the devices take the blame when leaks spillages and overflows occur Along with thinking about preventive measures and device caretaking *License to*

Spill examines how water resistant and waterproofed technologies through their design and marketing imagine the brawniest and hardest of users meant to punish and abuse their tough devices granting them unfettered permission to get wet Examining a long history of torture testing and hyperbolic claims of imperviousness the book demonstrates how protective designs relate to broader cultural ideas about media use as sporty luxurious excessive or messy This context is especially relevant given that the market for water resistant bags cases coatings and seals has flourished over the past decade with new rhetoric about wetness as natural and digital technologies as ever present The book pushes us to attend to both the ideals and problems that arise when designing resilient devices ranging from the right to repair movement and lawsuits over ingress protection IP ratings to obsolescence culture and work from home activities in the wake of the COVID 19 pandemic
