Inner empire Daniel Maudlin,Alex Bremner,2024-08-06 Inner Empire explores the impact of imperial cultures on the landscapes and urban environments of the British Isles from the sixteenth century through to the twentieth century It asserts that Britain s four hundred year entanglement with global empire left its mark upon the British Isles as much as it did the wider world Buildings stood as one of the most conspicuous manifestations of the myriad relationships that Britain maintained with the theory and practice of colonialism in its modern history Divided into two main sections the volume s content considers internal colonisation and its infrastructures of control order and suppression alongside wider relationships between architecture the imperial economy and cultural identity Taken together the essays in this volume present for the first time a coherent analysis of the British Isles as an imperial setting understood through its buildings spaces and infrastructure

The Power of Anticipatory Images in Student Achievement James M. Davy,2020-10-03 This book features ten high academically achieving low income inner

city students from Newark New Jersey who graduated from public high schools at or near the top of their class and continued to excel in college Using a qualitative research design the author interviewed the ten students and the person who most influenced their educational progress about what motivated them to achieve at such high levels Three mutually reinforcing anticipatory images emerged as a common element of their stories In their own voices the students describe the anticipatory images they framed how they developed them and how they used them to their advantage Davy advances a theoretical model of the Anticipatory Competent student who continually progresses in the directions of the images projected ahead The Puzzle of the American Economy Mark A. Pisano,2017-03-09 Exploring how sweeping demographic changes have resulted in the ineffectiveness of recent monetary and fiscal policies this book identifies corrective actions that will start to reverse the trends of low economic growth and widespread government deficits The field of demographics does not focus on the economic impacts and the funding issues resulting from demographic change Similarly economics does not take into account demographic changes The omissions in both fields are negatively impacting the nation income reductions caused by demographic changes that have not been accounted for are so large that current fiscal policies are not able to mitigate them The Puzzle of the American Economy How Changing Demographics Will Affect Our Future and Influence Our Politics exposes the factors that are undermining the nation s prospects for improving the rate of economic growth and keeping up with citizens needs for government provided services Author Mark A Pisano explains the hidden drag on the economy that has led to the ineffectiveness of recent monetary and fiscal policies how uncertainty in economic policymaking is affecting America politically as well as at the individual household level and why those who are adversely impacted are becoming politically disaffected He also presents an agenda for corrective individual action Readers will understand how the results of changes in demographics will last for decades and extend beyond the United States to many developed countries particularly Japan and nations in Europe as well as to some developing countries The book will be of value to students studying macro and micro economics those in public policy at all levels of government public administration and governmental budgeting and anyone attempting to understand the current dilemma in economic policymaking and our disjointed political process *Handbook of Research on Administration, Policy, and Leadership in Higher Education* Mukerji, Siran,Tripathi, Purnendu,2016-09-27 The creation of a sustainable and accessible higher education systems is a pivotal goal in modern society Adopting strategic frameworks and innovative techniques allows institutions to achieve this objective The Handbook of Research on Administration Policy and Leadership in Higher Education is an authoritative reference source for the latest scholarly research on contemporary management issues in educational institutions and presents best practices to improve policies and retain effective governance Addressing the current state of higher education at an international level this book is ideally designed for academicians educational administrators researchers and professionals A Legacy of Exploitation Susan Dianne Brophy,2022-05-15 It is unlikely that buyers of the Hudson s Bay Company s iconic multistripe point blanket these

days reflect on the historically exploitative relationship between the company and Indigenous producers This critical re evaluation of the company s first planned settlement at Red River uncovers that history As a settler colonialist project par excellence the Red River Colony was designed to undercut Indigenous peoples troublesome autonomy and better control their labour Susan Dianne Brophy upends standard historical portrayals by foregrounding Indigenous peoples autonomy as a driving force of change A Legacy of Exploitation offers a comprehensive account of legal economic and geopolitical relations to show how autonomy can become distorted as complicity in processes of dispossession Ultimately this book challenges enduring yet misleading national fantasies about Canada as a nation of bold adventurers *Finance Law* Stephen Connelly,2025-06-16

Colonial Alta California Kathleen L. Hull, John G. Douglass, 2018-10-16 Between 1769 and 1834 an influx of Spanish Russian and then American colonists streamed into Alta California seeking new opportunities Their arrival brought the imposition of foreign beliefs practices and constraints on Indigenous peoples Forging Communities in Colonial Alta California reorients understandings of this dynamic period which challenged both Native and non Native people to reimagine communities not only in different places and spaces but also in novel forms and practices The contributors draw on archaeological and historical archival sources to analyze the generative processes and nature of communities of belonging in the face of rapid demographic change and perceived or enforced difference Contributors provide important historical background on the effects that colonialism missions and lives lived beyond mission walls had on Indigenous settlement marriage patterns trade and interactions They also show the agency with which Indigenous peoples make their own decisions as they construct and reconstruct their communities With nine different case studies and an insightful epilogue this book

offers analyses that can be applied broadly across the Americas deepening our understanding of colonialism and community Contributors Julianne Bernard James F Brooks John Dietler Stella D Oro John G Douglass John Ellison Glenn Farris Heather Gibson Kathleen L Hull Linda Hylkema John R Johnson Kent G Lightfoot Lee M Panich Sarah Peelo Seetha N Reddy David W Robinson Tsim D Schneider Christina Spellman Benjamin Vargas Letters Written from the Banks of the Ohio Claude-François de Lezay-Marnésia, 2016-12-13 First published in French in 1792 Letters Written from the Banks of the Ohio tells the fascinating story of French aristocrat Claude François de Lezay Marnésia and the utopia he attempted to create in what is now Ohio Looking to build a perfect society based on what France might have become without the Revolution Lezay Marnésia bought more than twenty thousand acres of land along the banks of the Ohio River from the Scioto Company which promised French aristocrats a fertile conflict free refuge But hostilities between the U S Army and the Native American tribes who still lived on the land prevented the marquis from taking possession Ruined and on the verge of madness Lezay Marnésia returned to France just as the Revolution was taking a more radical turn He barely escaped the guillotine before dying a few years later in poverty and desperation This edition of the Letters introduced and edited by Benjamin Hoffmann and superbly translated by Alan J Singerman presents the work for the first time since the beginning of the nineteenth century and the first time ever in English The volume features a rich collection of supplementary documents including texts by Lezay Marnésia's son Albert de Lezay Marnésia and the American novelist Hugh Henry Brackenridge This fresh perspective on the young United States as it was represented in French literature casts new light on a captivating and tumultuous period in the history of two nations *Cold War Museology* Jessica Douthwaite, Holger Nehring, Samuel J.M.M. Alberti, 2024-11-27 Cold War Museology is the first volume to bring together interdisciplinary and international contributions from leading practitioners and academics specialising in Cold War museology Bringing the most recent historiography of the Cold War into conversation with museological theory and practice chapters within the volume analyse the current condition of Cold War museology By unpicking some of the unique challenges facing museum specialists dealing with the Cold War this book takes a lead in developing the collection display and interpretation of this history The chapters question what makes a Cold War object address the complexity of Cold War time face up to questions of Cold War race gender and imperialism and reveal how to materialise the Cold War imaginary in museums Most importantly perhaps the volume demonstrates that a consideration of the interconnecting forces of global twentieth century history enables experts to add important complexity and nuance to the narratives with which they work and improve visitor understandings through innovative interpretations Cold War Museology will encourage readers towards a more nuanced holistic and inclusive approach to Cold War materiality in museums It will be of great interest to academics museum professionals and students engaged in the study of museums heritage and the Cold War as well as those with an interest in archaeology media culture and memory **Missionary Interests** David Golding, Christopher Cannon Jones, 2024-04-15 In Missionary Interests David Golding and Christopher

Cannon Jones bring together works about Protestant and Mormon missionaries in the nineteenth and twentieth centuries charting new directions for the historical study of these zealous evangelists for their faith Despite their sectarian differences both groups of missionaries shared notions of dividing the world categorically along the lines of race status and relative exoticism and both employed humanitarian outreach with designs to proselytize American missionaries occupied liminal spaces between proselytizer and proselytized feminine and masculine colonizer and colonized Taken together the chapters in *Missionary Interests* dismantle easy characterizations of missions and conversion and offer an overlooked juxtaposition between Mormon and Protestant missionary efforts in the nineteenth and twentieth centuries

Transforming the livestock sector through the Sustainable Development Goals Food and Agriculture Organization of the United Nations, 2018 For decades the livestock debate has focused on how to increase production in a sustainable manner However the UN 2030 Agenda for Sustainable Development has shifted the emphasis from fostering sustainable production per se to enhancing the contribution of the sector to the achievement of the Sustainable Development Goals SDGs This publication examines the sector's interaction with each of these Goals as well as the potential synergies trade offs and complex interlinkages This global report is intended to serve as a reference framework that Member States and stakeholders can use as they engage in the transformation process of the livestock sector towards sustainability It calls for an integrated approach towards livestock sustainable development highlights the effective adaptation of the SDGs into specific and targeted national policy action as the major challenge ahead and flags the steps in the implementation road map
