Three Temporal Kings Michal Deschausses, Michel Nostradamus, 2011-04-26 Each quatrain of the Centuries of Nostradamus relates an event specific to one of three Antichrists and startling details are reinforced by vast historical research This grand light shed on messages through the divine prophet makes the entire context of the verses comprehensible with a consistent theme that relays an important message about the proven past the active present and the near future of the world This clarification of the enigmatic verse of Nostradamus is the most comprehensive bringing the first true understanding that each surface verse discusses one of three temporal kings commonly known as Antichrists What if an understanding of the past present and future with all certainty halted naive debate In an age of uncertainty about the future many people look to the wisdom of the prophets This monumental effort stimulates not only mental and emotional well being but also spiritual health People want to know how truth impacts survival in an uncertain world nearing the vastly misunderstood prophesied year of 2012 The highest difficulty remains in determining truth The past helps develop understanding of what led to current conditions Without emotional physical mental and spiritual elements to fulfill the record of history the wealth of our past and the understanding of our future remains impotent Nostradamus a divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the Divine His prophecies have been in print for approximately 500 years which is longer than any book except the Holy Bible The prophecies of Nostradamus are biblically sound coinciding directly with the honored messages of biblical prophets from Abraham through the Apostle John Each new generation of people has continued to pour over the verses of Nostradamus seeking higher truth and understanding A critical new understanding reveals that Nostradamus prophesied and wrote specifically about three Antichrists reigning from the year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine

all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities
