Not By Love Alone The Violin In Japan 1850 2010:

Not by Love Alone Margaret Mehl, 2014 The first cultural history of the violin and violin playing and indeed the first comprehensive history of Western music in general in Japan from the mid nineteenth century to the present in the context of Japan's emergence as a modern nation and a major global power *A Socio-Cultural History of the Violin in Australia* Laura Case, 2025-08-29 This book presents a social history of the violin in Australia from 1788 to 1914 exploring its pivotal role in colonial society and influence on local music making and culture It provides scholars with new insights into how musical instruments like the violin were used to navigate and express social boundaries within a colonial framework Initially introduced by British settlers the violin emerged as a powerful cultural symbol across social classes genders and ethnic backgrounds Through a historical lens this narrative examines the violin's integration into Australian society reflecting the complexities of identity colonial values and Indigenous resilience Featuring an in depth analysis of diverse historical sources such as newspapers letters and musical programmes readers are offered a comprehensive view of Australia's musical past Each chapter highlights notable violinists illustrating how the violin either reinforced or challenged existing social hierarchies This exploration extends into broader themes of colonisation empire and cultural survival By uncovering an overlooked facet of Australia's cultural landscape this study significantly contributes to the fields of music history colonial studies and Australian history Aimed at an academic audience this book will appeal to those interested in colonial history Australian music and cultural studies Through its detailed analysis it offers an essential resource for understanding the ways that music served as a medium for both cultural continuity and transformation in Australia's complex colonial context

Musical Entanglements between Germany and East Asia Joanne Miyang Cho, 2021-10-09 This edited volume explores musical encounters and entanglements between Germany and East Asian nations from 1900 to the present In so doing it speaks to their dynamic and multi faceted musical relations in multiple ways Despite East Asia and Germany being located at opposite ends of the globe German music has found remarkably fertile soil in East Asia East Asians have enthusiastically adopted it while at the same time adding their own musical interpretations These musical encounters have produced compositions that reflect this mutual influence stimulating and enriching each other through their entanglement After more than a century of entanglement Germany and East Asia have become kindred musical spirits *Music and the Making of Modern Japan* Margaret Mehl, 2024-05-29 Japan was the first non Western nation to compete with the Western powers at their own game The country's rise to a major player on the stage of Western music has been equally spectacular The connection between these two developments however has never been explored How did making music make Japan modern How did Japan make music that originated in Europe its own And what happened to Japan's traditional music in the process *Music and the Making of Modern Japan* answers these questions Discussing musical modernization in the context of globalization and nation building Margaret Mehl argues that far from being a side show music was part of the action on

centre stage Making music became an important vehicle for empowering the people of Japan to join in the shaping of the modern world In only fifty years from the 1870s to the early 1920s Japanese people laid the foundations for the country's post war rise as a musical as well as an economic power Meanwhile new types of popular song fuelled by the growing global record industry successfully blended inspiration from the West with musical characteristics perceived as Japanese Music and the Making of Modern Japan represents a fresh contribution to historical research on making music as a major cultural social and political force

Handbook of Japanese Music in the Modern Era Henry Johnson, 2023-11-20 Exploring an array of captivating topics from hybridized Buddhist music to AI singers this book introduces Japanese music in the modern era The twenty five chapters show how cultural change from the late nineteenth century to the present day has had a profound impact on the Japanese musical landscape including the recontextualization and transformation of traditional genres and the widespread adoption of Western musical practices ranging from classical music to hip hop The contributors offer representative case studies within the themes of Foundations Heritage Institutions and Hybridities examining both musical styles that originated in earlier times and distinctly localized or Japanized musical forms

The Palgrave Handbook of Music and Sound in Japanese Animation Marco Pellitteri, 2024-09-13 This handbook fills a substantial gap in the international academic literature on animation at large on music studies and on the aural dimensions of Japanese animation more specifically It offers a unique contribution at the intersection between music and popular culture studies on the one hand and research on Japanese animated productions often called anime as popular art forms and formats of entertainment on the other The book is designed as a reference work consisting of an organic sequence of theory grounded essays on the development of music sounds and voices in Japanese animation for cinema and television since the 1930s Each chapter deals with a phase of this history focusing on composers and performers films series and genres used in the soundtracks for animations made in Japan The chapters also offer valuable interviews with prominent figures of music in Japanese animation as well as chapter boxes clarifying specific aspects

East Asian-German Cinema Joanne Miyang Cho, 2021-09-29 This is the first edited volume dedicated to the study of East Asian German cinema Its coverage ranges from 1919 to the present a period which has witnessed an unprecedented degree of global entanglement between Germany and East Asia In analyzing this hybrid cinema this volume employs a transnational approach which highlights the nations cinematic encounters and entanglements It reveals both German perceptions of East Asia and East Asian perceptions of Germany through analysis of works by both German directors and East Asian East Asian German directors It is hoped that this volume will not only accelerate cross cultural exchange but also provide a wider perspective that helps film scholars to see the broader contexts in which these films are produced It introduces multiple compelling topics not just immigration multiculturalism and exile but also Japonisme children's literature musical modernity media hybridity gender representation urban space Cold War divisions and national identity It addresses several genres feature films essay films and documentary films Lastly by

embracing three East Asian cinemas in one volume this volume serves as an excellent introduction for German cinema students and scholars It will appeal to international and interdisciplinary audiences as its contributors represent multiple disciplines and four world regions *Suzuki Eri Hotta, 2022-11-15 Shinichi Suzuki of the eponymous Suzuki Method debunked Western stereotypes about authentic classical performance while transforming music education globally Yet as Eri Hotta shows his movement was about much more than developing music skills A committed humanist he aspired to nurture the potential musical or otherwise in every child*

Italian Opera in Global and Transnational Perspective Axel Körner, Paulo M. Köhl, 2022-03-24 This volume of essays discusses the European and global expansion of Italian opera and the significance of this process for debates on opera at home in Italy Covering different parts of Europe the Americas Southeast and East Asia it investigates the impact of transnational musical exchanges on notions of national identity associated with the production and reception of Italian opera across the world As a consequence of these exchanges between composers impresarios musicians and audiences ideas of operatic Italianness Italianit constantly changed and had to be reconfigured reflecting the radically transformative experience of time and space that throughout the nineteenth century turned opera into a global aesthetic commodity The book opens with a substantial introduction discussing key concepts in cross disciplinary perspective and concludes with an epilogue relating its findings to different historiographical trends in transnational opera studies
