in English: A Dictionary Margaret Ross Griffel,2012-12-21 In this revised and expanded edition of *Operas in English* A
Dictionary Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works
originally in English but also those set to new English librettos Since the book's initial publication in 1999 Griffel has added
nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English
from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries
that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts
composer's name librettist's name with original language of the libretto the source of the text date place and cast of the first
performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S
including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal
ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of
the text including non English ones other operas if any involving the same story or characters cross references are indicated
by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging
from scholarly studies to more informal journal articles and reviews a discography and information on video recordings
Operas in English features four appendixes a selective bibliography and two indexes The first appendix lists composers their
places and years of birth and death and their operas included in the text as entries the second does the same for librettists
the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological
listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed
or performed much later the short title of the opera and the composer There is a main character index and an index of

,1900 *Educational Times* ,1896 The Educational Times, and Journal of the College of Preceptors ,1897 **Dictionary**
of World Biography Frank Northen Magill,Alison Aves,1998 Each volume of the *Dictionary of World Biography* contains 250
entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who
Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a
quick reference section that provides basic facts on the individual's life and achievements The extended biography places the

life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.
