

A vibrant, stylized illustration of an underwater scene. In the center, a large blue whale swims horizontally. Above it, a dolphin leaps from the water. To the right, another dolphin swims. Below the whale, a large white dolphin swims towards the right. In the bottom right corner, a blue dolphin swims. The background is filled with various colorful coral reefs in shades of pink, purple, and blue. Numerous small, colorful fish, including orange and white striped ones, are scattered throughout the scene. The water is a deep blue with light rays filtering down from the top.
