Oh If Hed Only Other Maledom Erotica:

Unaware and Underfoot Taedis, 2023-04 On the surface Peter lived a normal life He worked hard at his job While he didn't get all the promotions he thought he deserved he'd slowly moved his way up the corporate ladder until he stalled somewhere between the office staff and the elites Sure he was a manager but he was the only one without an office and his desk was surrounded by support staff Not that Peter minded the last part that much On the surface he bristled at the position his superiors put him in but he secretly enjoyed the view Most of the women in the office thought Peter was shy when he kept his head down Miranda figured out what he was looking at Their shoes Miranda figured he was just another foot fetishist She'd had some experience with them And other kinky people It wasn't long before she had her boss wrapped around her little toe She got inside his head in ways Peter never imagined possible Making him endure humiliations he'd only dreamed of But Peter had other less conventional fantasies The shrinking device cost a fortune but it was worth every penny Peter used it to become small enough to crawl inside the shoes he obsessed over To roll in the insoles and breathe in the stale sweat and leather When he heard Miranda was vacationing for a week he knew what he had to do It was an insane plan even if everything worked perfectly He'd enter Miranda's apartment with a spare key strip shrink and spend hours alone with her shoes He justified the risk the invasion of her privacy But he didn't count on getting interrupted separated from the device that could grow him back and having to hide like a mouse in someone else's home This is a story of a man whose sexual obsession led him down a path from boss to sex slave human being to pest From an otherwise normal man with a normal life to a naked helpless creature living in his secretary's walls too afraid to get her attention for fear she'd think him a bug and crush him Warning This 58 000 word adult novel contains mature content not suitable for those under the age of 18 This story contains macrophilia voyeurism female domination verbal humiliation sexual acts of various orientations erotic spanking and other adult themes and situations Cover art by Ryald666
