GOFFMAN**

On The Run Fugitive Life In An American City

Alice Goffman

On The Run Fugitive Life In An American City:

On the Run Alice Goffman, 2014-04-22 A remarkable chronicle related with honesty and compassion this ethnography reveals the impact of probation and parole practices on one community Publisher Weekly The War on Drugs has done almost nothing to prevent drugs from being sold or used but it has created a little known surveillance state in America's most disadvantaged neighborhoods Alice Goffman spent six years living in one such neighborhood in Philadelphia and her observations reveal the effects of this pervasive policing Goffman introduces us to an unforgettable cast of young African American men who are caught up in this web of warrants and surveillance All find the net of presumed criminality built as it is on the very associations and friendships that make up a life nearly impossible to escape We watch as the pleasures of summer evening stoop sitting are shattered by the arrival of a carful of cops looking to serve a warrant we watch as teenagers teach their younger siblings and cousins how to run from the police and we see over and over the relentless toll that the presumption of criminality takes on families and futures Through her gripping accounts of daily life in the forgotten neighborhoods of America's cities Goffman makes it impossible to ignore the very real human costs of our failed response Extraordinary Malcolm Gladwell The New Yorker A remarkable feat of reporting Astonishing and riveting The New York Times Book Review Goffman's lively prose opens a window into a life where paranoia has become routine Baltimore City Paper Goffman gives us a subtle analysis and poignant portrait of our fellow citizens who struggle to preserve their sanity and dignity Cornel West author of Race Matters

On the Run Alice Goffman, 2015-04-07 Originally published Chicago University of Chicago Press 2014 as part of the Fieldwork encounters and discoveries series

On the run Alice Goffman, 2014 The War on Drugs has done almost nothing to prevent drugs from being sold or used but it has created a little known surveillance state in America's most disadvantaged neighbourhoods Arrest quotas and high tech surveillance techniques criminalize entire blocks and transform the very associations that should stabilize young lives family relationships jobs into liabilities as the police use such relationships to track down suspects demand information and threaten consequences The author spent six years living in one such neighbourhood in Philadelphia and her close observations and often harrowing stories reveal the pernicious effects of this pervasive policing 2014

The City in Transgression Benedict Anderson, 2020-07-27 The City in Transgression explores the unacknowledged neglected and ill defined spaces of the built environment and their transition into places of resistance and residence by refugees asylum seekers migrants the homeless and the disadvantaged The book draws on urban and spatial theory socio economic factors public space and architecture to offer an intimate look at how urban sites and infrastructure are transformed into spaces for occupation Anderson proposes that the varied innovations and adaptations of urban spaces enacted by such marginalized figures for whom there are no other options herald a radical new spatial programming of cities The book explores cities and sites such as Mexico City and London the Mexican US border the Calais Jungle and Palestinian camps in Beirut and utilizes concepts associated with

mobility such as anarchy vagrancy and transgression alongside photography 3D modelling and 2D imagery From this constellation of materials and analysis a radical spatial picture of the city in transgression emerges By focusing on the underside of urbanism *The City in Transgression* reveals the potential for new spatial networks that can cultivate the potential for self organization so as to counter the existing dominant urban models of capital and property and to confront some of the major issues facing cities amid an age of global human mobility This book is valuable reading for those interested in architectural theory modern history human geography and mobility climate change urban design and transformation

Companion to Urban and Regional Studies Anthony M. Orum, Javier Ruiz-Tagle, Serena Vicari Haddock, 2021-07-05
COMPANION TO URBAN AND REGIONAL STUDIES Indispensable overview and timely coverage of the major issues debates and research topics in urban and regional studies *Companion to Urban and Regional Studies* offers an up to date view of the rapidly growing field exploring a diversity of theoretical perspectives current and emerging research and critical global policy concerns Uniquely broad in geographical and thematic scope this comprehensive volume brings together essays by more than fifty international scholars and researchers to provide expert assessments spanning the many dimensions of urban studies Organized into five parts the *Companion* begins with a review of the current state of cities across East Asia Sub Saharan Africa North America Europe and Latin America and all other world regions Subsequent sections discuss contemporary theoretical perspectives describe common methodological approaches used by urban scholars and examine the political social and economic problems facing twenty first century cities Covering historical issues current challenges and comparative perspectives in urban studies this timely resource Addresses intensely debated policy issues such as governance housing immigration and migration segregation social mix and gentrification Describes the use of demographic methods advanced spatial analysis social networks policy mobilities and ethnographies in urban studies research Discusses critical urban theory feminist urban research urbanization and environmental change and the legacy of the Chicago School Covers contemporary research topics such as urban and regional inequalities social heterogeneity and diversity financialization Includes representative case studies of each region including Australasia Latin America East Asia and South Asia *Companion to Urban and Regional Studies* is essential reading for scholars researchers practitioners urban activists and students and it represents a must have complement to *The Wiley Blackwell Encyclopedia of Urban and Regional Studies* **The Poverty of the Ethnography of Poverty** Loïc Wacquant, 2025-07-02 In *The Poverty of the Ethnography of Poverty* Loïc Wacquant dissects how sociologists who carry out field studies of the poor write about race class and morality in the city's underbelly the blinders and biases that affect their research and how to overcome them and how to become aware of these biases and develop a better meshing of theory and research Urban Criminology Rowland Atkinson, Gareth Millington, 2018-11-08 *Urban Criminology* offers an accessible analysis of our urban condition viewed through the prism of crime disorder and social harm This book gathers cutting edge treatments research field reports and critical examinations of crime and harm in cities

from the disciplines of urban studies and criminology The social economic and political composition of cities and the various inequalities that mark out and drive the problem of crime in many cities today are foregrounded Readers follow a series of thematic engagements generating a deeper understanding of a range of key areas that include problems of violence social and spatial divisions housing policing and the role of the urban economy in issues of financial crime This book comes at a time of rising crime in many cities and complex responses by city administrations and communities It presents a critical political thesis that crime in cities must be understood with reference to the varying social structures political forces and economic opportunities of cities These influences intersect to produce dramatic variations in victimisation and attempts at social control often felt most strongly around class and gender divisions To understand crime we must better understand the life of the city Urban Criminology seeks to present an integrated framework that brings to life these key issues and seeks to enthuse students of our urban condition to locate the harms within it and to identify ways of reducing the risk of crime This book is ideal reading for all students with an interest in cities crime community life urban sociology and urban cultures

The Social Life of Nothing Susie Scott, 2019-06-03 Nothing really matters All the things that we do not do have or become in our lives can be important in shaping self identity From jobs turned down to great loves lost secrets kept and truths untold people missed and souls unborn we understand ourselves through other unlived lives that are imaginatively possible This book explores the realm of negative social phenomena no things no bodies non events and no where places that lies behind the mirror of experience Taking a symbolic interactionist perspective the author argues that these objects are socially produced emerging from and negotiated through our relationships with others Nothing is interactively accomplished in two ways through social acts of commission and omission Existentialism and phenomenology encourage us to understand more deeply the subjective experience of nothing this can be pursued through conscious meaning making and reflexive self awareness The Social Life of Nothing is a thought provoking book that will appeal to scholars across the social sciences arts and humanities but its message also resonates with the interested general reader

The Taming of New York's Washington Square Erich Goode, 2018-12-04 The surprising and unofficial system of social control and regulation that keeps crime rates low in New York City's Washington Square Park Located in New York City's Greenwich Village Washington Square Park is a 9.75 acre public park that is perhaps best known for its historic Washington Square Arch a landmark at the foot of 5th Avenue Hundreds if not thousands pass through the park every day some sit on benches enjoying the sunshine play a game of chess watch their children play in the playground take their dog to the dog runs or sit by the fountain or sometimes buy or sell drugs The park has an extremely low crime rate Sociologist and local resident Erich Goode wants to know why He notes that many visitors do violate park rules and ordinances even engaging in misdemeanors like cigarette and marijuana smoking alcohol consumption public urination skateboarding and bike riding And yet he argues contrary to the well known broken windows theory which suggests that small crimes left unchecked lead to major crimes serious crimes

hardly ever take place there Why with such an immense volume of infractions and people are there so little felonious or serious and virtually no violent crime With rich and detailed observations as well as in depth interviews Goode demonstrates how onlookers bystanders and witnesses both denizens and your average casual park visitor provide an effective system of social control keeping more serious wrongdoing in check Goode also profiles the parks visitors showing us that the park is a major draw to residents and tourists alike Visitors come from all over only a quarter of the park s visitors live in the neighborhood the Village and SoHo one out of ten are tourists and one out of six are from upper Manhattan or the Bronx Goode looks at the patterns of who visits the park when they come and once in the park where they go Regardless of where they live Goode argues all of the Park s visitors help keep the park safe and lively The Taming of New York s Washington Square is an engaging and entertaining look at a surprisingly safe space in the heart of Manhattan **The Routledge**

Companion to Media and Poverty Sandra L. Borden, 2021-07-19 Comprehensive and interdisciplinary this collection explores the complex and often problematic ways in which the news media shapes perceptions of poverty Editor Sandra L. Borden and a diverse collection of scholars and journalists question exactly how the news media can reinforce or undermine poverty and privilege This book is divided into five parts that examine philosophical principles for reporting on poverty the history and nature of poverty coverage problematic representations of people experiencing poverty poverty coverage as part of reporting on public policy and positive possibilities for poverty coverage Each section provides an introduction to the topic as well as a broad selection of essays illuminating key issues and a Q A with a relevant journalist Topics covered include news coverage of corporate philanthropy structural bias in reporting representations of the working poor the moral demands of vulnerability and agency community empowerment and citizen media The book s broad focus considers media and poverty at both the local and global levels with contributors from 16 countries This is an ideal reference for students and scholars of media communication and journalism who are studying topics involving the media and social justice as well as journalists activists and policy makers working in these areas
