Once Upon a Matchmaker Marie Ferrarella, 2012-06-01 If there was one thing single dad Micah Muldare lacked it was time. The busy widower didn't have enough hours in the day for his too full to do list. His high profile job demanded focus and the rest of his not so spare time was devoted to caring for his two little boys. He certainly had no room in his hectic schedule for romance until Tracy Ryan walked through his door. The once burned attorney had long ago given up on finding true love and a family of her own. She'd grown used to keeping her heart under guard. But resisting handsome Micah and his adorable children was proving difficult indeed. Maybe it was time Tracy reconsidered her no nonsense approach to life and took the ultimate risk to win the family she'd always wanted.

Once Upon a Nightmare Lee Moylan, 2008 On the night of October thirteenth the Hunter's Moon descended upon the quiet town of White Chapel. As Sara Bishop drifted off to sleep under its soft illumination the full moon seemed to have brought with it something far more sinister than a warm glow. At once the nightmare started. But this wasn't any ordinary nightmare. This one seemed real as if she could smell it, feel it, taste it. It was one of those dreams, one that awakened her witch-like sense, a harbinger of heartbreak and now horror. Together with Rebecca Parker, the only other person who understood her gift, someone who had experienced her own strange senses, Sara hoped to come to terms with this ominous nightmare. But her closest friend and next door neighbor was nowhere to be found, not since the night of October thirteenth. And so it begins. With little help from her skeptical husband or local police, Sara finds herself virtually alone as her grisly dreams crawl from the darkness to become a sick and twisted reality, a reality where she has become the ultimate desire of a sadistic serial killer. As images of death, phantoms and shadows surround Sara in this Halloween season, she needs to listen to the whispers in her mind, use her gift to unmask those around her, for one of them is the man from her nightmare. And he sees her when she's sleeping. He knows when she's awake. When the next full moon descends upon White Chapel, he will reveal himself to her. And under its silvery glow, a new nightmare will be born. Will Sara Bishop have to experience death itself to stop this killer? Or will her nightmare never end?
