Praying the

Scriptures Jeremiah Williamson, 2014-10 The Prayers of the People is the place where liturgy is most likely to lose energy. Of course that should not be the case; it is a great privilege to offer our prayers to God as a congregation. But the Book of Common Prayer provides a limited number of forms and although it also provides guidelines for composition of original prayers, many parishes have prayed just a couple of the forms over and over again for 35 years. Williamson began to compose these new prayers for his parish, posting them on a blog as they were used each Sunday. He discovered in the process that the congregational urge to move beyond the Prayer Book's six forms is a common one. These new prayers bring freshness to corporate prayer, carrying the lectionary-based themes of the hymns, lessons, and sermon into the service, creating a fresh and focused worship experience. Lectionary-based prayers in a call and response format. Written in language that is fresh and well-crafted.

We Were Brothers In Arms Frank Clark, 2013-12-01 We Were Brothers in Arms is an attempt to understand the experience of battle during WW2 through the personal experiences of the ordinary soldier. Frank Clark has gathered together the amazing stories of British soldiers during the eleven months of frenzied warfare that followed D Day and combined them into this fascinating volume. As a veteran himself, serving in WW2, Korea, Malaya, Cyprus, Northern Ireland, and during the Cold War, Frank is well-versed in the adrenaline of battle, and here he brings together the tales of a wide cross-section of fighting men on the front line. There are stories from the infantry, the assault troops who stormed the Normandy beaches and forced bridgeheads, the dashing reconnaissance men in their thin-skinned tanks sending back vital radio reports, the parachutists dropping behind enemy lines to fight the sappers building bridges and clearing minefields under fire, the gunners bringing down fast, furious and accurate barrages, the signallers patching up communication links, the non-combatant stretcher-bearers, the doctors tending the wounded, the support services bringing up food and ammunition. This book tells their story of war and reminds us why their sacrifice should never be forgotten. We Were Brothers in Arms is a compelling account of the last months of war, told through eye-witness accounts, some never before published.
