One Flesh Salvation Through Marriage In The Orthodox Church:

One Flesh Lawrence R. Farley, 2017-09-29 Is the Church too negative about sex Beginning with this provocative question Fr Lawrence Farley explores the history of the Church's attitude toward sex and marriage from the Old Testament through the Church Fathers He persuasively makes the case both for traditional morality and for a positive acceptance of marriage as a viable path to theosis

The Historic Church Archpriest John W. Morris, 2011-07-19 The Historic Church is a survey of Christian history written for Orthodox Christians by an Eastern Orthodox scholar Although one can find many excellent studies of Christian history in the United States none of them considers the development of Christianity from an Eastern Orthodox point of view The work begins by laying a foundation for the study of Christian history by discussing the beliefs and practices of the ancient Church during the age of the Fathers and the Seven Ecumenical Councils The author then discusses the development of Roman Catholicism and the theological and cultural reasons for the split between Rome and Orthodoxy and relations between East and West following the schism He concludes his work with a discussion the origins and historical development of every major Protestant group and tells how they differ from Orthodoxy

Eastern Orthodoxy Illuminated by the Gospel Ivica Stamenković, 2023-10-24 Eastern Orthodoxy illuminated by the Gospel is one of the greatest books ever written about the Orthodoxy Reading the book Eastern Orthodoxy illuminated by the Gospel is like climbing a high mountain where your visual field gets expanded with each step discovering new and exciting details and finally gives an exceptional panoramic view that evokes the strongest feelings Each new line is like a new stair leading to a highest top from where you can observe the whole Orthodoxy Orthodoxy from God's perspective Light of the glorious Gospel and Christ's teachings shines like the sun throughout this book illuminating a complete profession of faith of the Eastern Orthodox Church Sladjan Djuric Author of the book Only Scripture Serbia I have never understood why Eastern Orthodox people practice or believe certain things When I would ask I would either get silence or a very confusing and superficial answer Ivica's book made those mysterious things clear for the first time and helped me understand the essence and the roots of the Orthodox religion Without exaggeration I think this is a first class apologetic manual ever written Everyone who is called to work with Orthodox believers should have this book because it can help them understand the people who practice Eastern Orthodoxy and give them directions how to pray and preach the Gospel more efficiently 2 Corinthians 4:3-4 Ephesians 6:12 Jan Vareca Editor of a Christian e magazine The trumpet of Zion Serbia Eastern Orthodoxy has been largely unknown in the West but in the recent years there has been a surge of interest particularly among Christians of Protestant Evangelical orientation many of whom wish to find out more about this mystical expression of faith that captivates by its ancient charm and connection to the early church fathers The book Eastern Orthodoxy Illuminated by the Gospel by Ivica Stamenković will unlock the mysteries of Eastern Orthodoxy for the Western readers A native of Serbia a country with a strong Eastern Orthodox majority Ivica had the advantage of studying Eastern Orthodoxy at its source The product of his studies is a volume that deserves to be called

nothing less than a textbook on Eastern Orthodoxy and probably the first of its kind available in the English language His clear scholarly approach leaves no stones unturned Needless to say a study such as this one has been long overdue in the West Even though scholarly the book is by no means dry and is an enjoyable read cover to cover Alex Jovanovic Pastor of Mooretown Brethren in Christ Church Sandusky Michigan USA **Marriage, Scripture, and the Church** Darrin W.

Snyder Belousek,2021-03-16 This book takes a distinctive approach to the same sex union debate by framing the issue as a matter of marriage Darrin Snyder Belousek demonstrates that the interpretation of Scripture affects whether the church should revise its doctrine of marriage for the sake of sanctioning same sex union Engaging charitably yet critically with opposing viewpoints he delves deeply into what marriage is what it is for and what it means as presented in the biblical narrative and the theological tradition articulating a biblical traditional theology of marriage for the contemporary church Afterword by Wesley Hill **Engaging the Doctrine of Marriage** Matthew Levering,2020-08-12 This book is the next volume in Levering s Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage Queerness in the Early Modern Russian Orthodox Church

Nick Mayhew, *The Liturgy of the Medieval Church* Thomas Heffernan,E Ann Matter,2005-04-01 This volume seeks to address the needs of teachers and advanced students who are preparing classes on the Middle Ages or who find themselves confounded in their studies by reference to the various liturgies that were fundamental to the lives of medieval peoples In a series of essays scholars of the liturgy examine The Shape of the Liturgical Year Particular Liturgies The Physical Setting of the Liturgy The Liturgy and Books and Liturgy and the Arts A concluding essay which originated in notes left behind by the late C Clifford Flanigan seeks to open the field to examine liturgy within the larger and more inclusive category of ritual The essays are intended to be introductory but to provide the basic facts and the essential bibliography for further study They approach particular problems assuming a knowledge of medieval Europe but little expertise in liturgical studies per se

Ritual and the Moral Life David Solomon,Ruiping Fan,Ping-cheung Lo,2012-03-26 In the twentieth century in both China and the West ritual became marginalized in the face of the growth of secularism and individualism In China Confucianism

and its essentially ritualistic comportment to the world were vigorously suppressed during the Cultural Revolution 1966 1976 under Mao Zedong But de ritualization already took place as a result of the Chinese Revolution of 1911 under Sun Yat Sen In the West while the process of de ritualization has been generally more gradual it has been nonetheless drastic In contrast to this situation this volume investigates the crucial role ritual plays in constituting the human understanding of their place in the cosmos the purpose of their lives and imbues human existence with a more complete sense of meaningfulness This volume presents the work of philosophers from both China and the West as they reflect upon the constitutive role that ritual plays in human life They reflect not only on ritual in general but also on specific Confucian and Christian appreciations of ritual This provocative volume is a beacon of warning to Western philosophers who think they have graduated from the trappings of ritual and a beacon of hope for Eastern thinkers who wish to avoid cultural fragmentation The Editors both Eastern and Western have together created a seamless work that not only introduces ritual but advances an argument for the contribution that ritual makes to cultural renewal This volume is a work of philosophical thinking about ritual doing but challenges those who think to realize that the salvation of philosophical thinking rests in the particularity and contingency of ritual doing Let us hope this volume is widely read for it points to that which might renew the West Jeffrey P Bishop Saint Louis University

Orthodox Tradition and Human Sexuality Thomas Arentzen, Ashley M. Purpura, Aristotle Papanikolaou, 2022-11-15 Sex is a difficult issue for contemporary Christians but the past decade has witnessed a newfound openness regarding the topic among Eastern Orthodox Christians Both the theological trajectory and the historical circumstances of the Orthodox Church differ radically from those of other Christian denominations that have already developed robust and creative reflections on sexuality and sexual diversity Within its unique history theology and tradition Orthodox Christianity holds rich resources for engaging challenging questions of sexuality in new and responsive ways What is at stake in questions of sexuality in the Orthodox tradition What sources and theological convictions can uniquely shape Orthodox understandings of sexuality This volume aims to create an agora for discussing sex

and not least the sexualities that are often thought of as untraditional in Orthodox contexts Through fifteen distinct chapters written by leading scholars and theologians this book offers a developed treatment of sexuality in the Orthodox Christian world by approaching the subject from scriptural patristic theological historical and sociological perspectives Chapters devoted to practical and pastoral insights as well as reflections on specific cultural contexts engage the human realities of sexual diversity and Christian life From re thinking scripture to developing theologies of sex from eschatological views of eros to re evaluations of the Orthodox responses to science this book offers new thinking on pressing present day issues and initiates conversations about homosexuality and sexual diversity within Orthodox Christianity
