

The background of the book cover is a painting in a traditional Korean style. It depicts a village scene with a traditional Korean house (hanok) on the left, surrounded by trees. In the foreground, several people are shown: a woman in a red robe (jogori) stands on the left, while a man and a child are seated in the center. The scene is set against a backdrop of a large, dark, rocky formation, possibly a mountain or a cave entrance, with a warm, golden light illuminating the scene.

"Memorable...will appeal not only to readers interested in Korea, but also to anyone who wants to read about the human condition, its struggle, and ultimately its resilience and triumph."
