Ambiguous Pleasures Rachel

Sprong, 2012-05-01 Among both male and female young urban professionals in Nairobi sexuality is a key to achieving a modern identity These young men and women see themselves as the avant garde of a new Africa while they also express the recurring worry of how to combine an African identity with the new lifestyles with which they are experimenting By focusing on public debates and their preoccupations with issues of African heritage gerontocratic power relations and conventional

morality on the one hand and personal sexual relationships intimacy and self perceptions on the other this study works out the complexities of sexuality and culture in the context of modernity in an African society It moves beyond an investigation of a health or development perspective of sexuality and instead examines desire pleasure and eroticism revealing new insights into the methodology and theory of the study of sexuality within the social sciences Sexuality serves as a prism for analysing how social developments generate new notions of self in postcolonial Kenya and is a crucial component towards

understanding the way people recognize and deal with modern changes in their personal lives **New York Magazine**, 1983-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Mamre, Night in Sodom Letellier, 2021-11-15 Recent developments in Pentateuchal studies from both diachronic historical and synchronic literary textual perspectives have made it possible to read Genesis 18 and 19 the evocative story of Abraham and Lot in a new light This work uses both types of approach to examine the text 1 considered in its own terms its structural and linguistic features in a detailed close reading of each verse and 2 considered in terms of its symbolism and imagery in relation to those found in comparable cultures of the ancient Middle East The end product is an integrated reading of the Abraham and Lot story as a sustained literary unit and the reading process demonstrates the value of a range of exegetical methods structuralist linguistic literary historical and anthropological in the continuing exploration of this well known biblical narrative **Queer Italia: Same-Sex Desire in Italian Literature and Film** G. Cestaro, 2004-07-22 Queer Italia gathers essays on Italian literature and film medieval to modern The volume's chronological organization reflects its intention to define a queer tradition in Italian culture While fully cognizant of the theoretical risks inherent in trans

historicizing sexuality the contributors to this volume share an interest in probing the multi form dynamics of sexual desires in Italian texts through the centuries The volume aims not to promote the mistaken notion of a single homosexuality through history Rather these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various complex workings of desire in texts from all periods Somewhat paradoxically a kind of queer canon results These essays open a much needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse *Queer Italia* is the first and only work of its kind in Italian criticism As such it will be of interest to a wide audience of Italianists medieval to modern and queer cultural theorists *Constitutional Innovation and Same-Sex Desire in D'Annunzio's Fiume, 1919-1920* Aleardo Zanghellini, 2024-12-15 Drawing on novel archival evidence that sheds light on Anglo Italian diplomatic relations and the French Italian contest for power in the Adriatic this book recounts the story of decadent poet Gabriele D Annunzio s occupation of Fiume Determining the fate of this Italian enclave in coastal Croatia had proved impossible at the Paris Peace Conference In September 1919 D Annunzio and his legionnaires installed themselves in Fiume in a bid to embarrass Italy into declaring its annexation In the months that followed the poet did his best to fashion Fiume into his ideal political community culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet s socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D Annunzio s Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D Annunzio s love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre **The Heart of Desire** Stella Resnick, 2012-03-21 How can you keep sexual desire alive over the long term More and more people are finding it difficult to maintain a relationship that is both emotionally and sexually gratifying In a book that will challenge and forever change how you think about love and sex clinical psychologist and sex therapist Stella Resnick PhD draws on the latest scientific research to explore the love lust dilemma Dr Resnick reveals how early programming can inhibit sexual desire as lovers become committed partners and begin to treat each other less like lovers and more like family Dr Resnick s revolutionary body mind program will help you recognize limiting old patterns learn valuable skills for enhancing romantic love and sexual aliveness and tap into your natural capacity to enjoy emotionally fulfilling sexual pleasure You ll discover A 10 Step Loving Sex Program with detailed methods for deepening the pleasures of emotional intimacy and broadening your erotic repertoire The latest research in sexology neuroscience brain neuroplasticity and the psychology of flourishing with practical applications for relationships Real life stories from the author s decades of work with clients and her own personal journey **Borges, Desire, and Sex** Ariel de la Fuente, 2018-11-21 Until now Jorge Luis Borges has been considered an asexual author who could not read or write about sex

but in this study historian Ariel de la Fuente reveals for the first time the relationship between Borges's sexual biography his erotic readings and the expression of desire and sex in his literature
