Politically Correct Guide To American History:

Politically Incorrect Guide to American History Thomas E. Woods, 2004-01-04 The problem in America isn t so much what people don t know the problem is what people think they know that just ain t so Thomas E Woods Most Americans trust that their history professors and high school teachers will give students honest and accurate information The Politically Incorrect Guide to American Historymakes it quite clear that liberal professors have misinformed our children for generations Professor Thomas E Woods Ir takes on the most controversial moments of American history and exposes how history books are merely a series of clich's drafted by academics who are heavily biased against God democracy patriotism capitalism and most American family values Woods reveals the truth behind many of today s prominent myths MYTH The First Amendment prohibits school prayer MYTH The New Deal created great prosperity MYTH What the Supreme Court says goes From the real American revolutionaries to the reality of labor unions The Politically Incorrect Guide to American History is all you need for the truth about America objective and unvarnished The Politically Correct Guide to American History Edward P. Moser, 1996 This amusing book examines the famous events and figures of American history through the cracked yet increasingly popular lens of political correctness From the voyage of Columbus to the taming of the Wild West accounts of the American past are shrewdly recast according to trendy notions regarding gender issues the environment and other Politically Incorrect Guide to Darwinism and Intelligent Design Jonathan Wells, 2006-08-21 current concerns Darwin is an emperor who has no clothes but it takes a brave man to say so Jonathan Wells a microbiologist with two Ph D s from Berkeley and Yale is that brave man Most textbooks on evolution are written by Darwinists with an ideological ax to grind Brave dissidents qualified scientists who try to teach or write about intelligent design are silenced and sent to the academic gulag But fear not Jonathan Wells is a liberator He unmasks the truth about Darwinism why it is wrong and what the real evidence is He also supplies a revealing list of Books You re Not Supposed to Read as far as the Darwinists are concerned and puts at your fingertips all the evidence you need to challenge the most closed minded Darwinist Politically *Incorrect Guide to Hunting* Frank Miniter, 2007-08-21 Why the Left's anti-hunting propaganda is dead wrong Nothing is more hated and more misunderstood by the trendy Left than hunting But now intrepid hunter and pro hunting activist Frank Miniter sets the record straight In The Politically Incorrect Guide tm to Hunting he details the concrete benefits that hunting provides to all of us even how it helps the environment Speaking with wildlife biologists hunters farmers anti hunters and victims of animal attacks Miniter explains how banning hunting negatively affects wildlife populations and conservation Miniter's fearless politically incorrect take on hunting lays out the facts that liberal environuts don't want you to know 33 Questions About American History You're Not Supposed to Ask Thomas E. Woods, Jr., 2007-07-10 Guess what The

Indians didn t save the Pilgrims from starvation by teaching them to grow corn Thomas Jefferson thought states rights an idea reviled today were even more important than the Constitution's checks and balances The Wild West was more peaceful

and a lot safer than most modern cities And the biggest scandal of the Clinton years didn t involve an intern in a blue dress Surprised Don t be In America where history is riddled with misrepresentations misunderstandings and flat out lies about the people and events that have shaped the nation there s the history you know and then there s the truth In 33 Questions About American History You re Not Supposed to Ask Thomas E Woods Jr the New York Times bestselling author of The Politically Incorrect Guide to American History sets the record straight with a provocative look at the hidden truths about our nation s history the ones that have been buried because they re too politically incorrect to discuss Woods draws on real scholarship as opposed to the myths platitudes and slogans so many other history books are based on to ask and answer tough questions about American history including Did the Founding Fathers support immigration Was the Civil War all about slavery Did the Framers really look to the American Indians as the model for the U S political system Was the U S Constitution meant to be a living breathing document and does it grant the federal government wide latitude to operate it pleases Did Bill Clinton actually stop a genocide as we re told You d never know it from the history that s been handed down to us but the answer to all those questions is no Woods s eye opening exploration reveals how much has been whitewashed from the historical record overlooked and skewed beyond recognition More informative than your last U S history class 33 Questions About American History You re Not Supposed to Ask will have you wondering just how much about your nation s past you haven t been told
