**Reclaiming American Catholicism** John Gehring, 2025-08 The Catholic Church in the United States stands at a crossroads between crisis and opportunity At a time when only the second Catholic President in U S history is shaped by the culture and many social justice teachings of his faith the most vocal leaders in the U S Catholic hierarchy embrace a culture war Catholicism that pits them against President Biden the pastoral priorities of Pope Francis and many Catholics in the pews This book based on many interviews and the author's own reporting makes the argument that recalibrating the church's engagement with politics and public life is vital for both the Church and the country Yet American Catholicism is not simply defined by church politics theological disputes or the latest Catholic controversy in the headlines The Church that Pope Francis envisions bruised hurting and dirty because it has been out on the streets can be found every day among Catholic advocates working on the border in the lives of young Catholics who question the church's teachings but who are active in social justice campaigns in the persistence of LGBTQ Catholics who carve out tenuous shelters in a church that doesn't accept their full humanity and in the experiences of seminarians who work in the fields with migrants as part of their religious formation Throughout the book incorporates profiles of these Catholics weaves in on the ground reporting and examines trends that are essential in understanding the Catholic experience in the United States By illuminating the stories of these Catholics the book provides a richer portrait of American Catholicism than most people see in the media as well as offering living examples of a pastoral and prophetic Catholicism that can serve as inspiration for more systemic reform and renewal

**A Church in Crisis: Pathways Forward** Ralph Martin, 2020-10-01

Nearly forty years ago Ralph Martin's bestselling *A Crisis of Truth* exposed the damaging trends in Catholic teaching and preaching that combined with attacks from secular society threatened the mission and life of the Catholic Church. While much has been done to counter false teaching over the last four decades, today the Church faces even more insidious threats from outside and within. In *A Church in Crisis: Pathways Forward*, Martin offers a detailed look at the growing hostility to the Catholic Church and its teaching. With copious evidence, Martin uncovers the forces working to undermine the Body of Christ and offers hope to those looking for clarity. *A Church in Crisis* covers polarization in the Church caused by ambiguous teachings, initiatives that accommodate the culture without calling for conversion, Vatican-sponsored partnerships with organizations that actively contradict the teaching of the Catholic Church, and the recycling of theological errors long settled by Vatican II. Pope St. John Paul II and Pope Benedict XVI. Powerfully written, *A Church in Crisis* reminds all readers to heed Jesus' express command not to lead His children astray. With ample resources to encourage readers, Ralph Martin provides the solid foundation of Catholic teaching, both Scripture and Tradition, to fortify Catholics against the errors that threaten us from all directions.

*The Homosexuality Debate in Malawi* Hamburu Mawerenga, 2018-06-14 Homosexuality is a cross-cutting challenge to Malawian society with theological, socio-cultural, economic, legal, political, and human rights implications. This book argues that the solution to the homosexuality debate in Malawi does not lie in either the criminalization or decriminalization of homosexuality; neither does it lie in homophobia nor heterophobia. However, the solution to the homosexuality debate lies in achieving a harmonious co-existence of both heterosexuals and homosexuals by practicing mutual tolerance. The book concludes by suggesting various activities to be taken by the Government of Malawi, Gay Rights Activists, Religious Leaders, Traditional Leaders, and Malawian Society to ensure the aforementioned tolerance and understanding is encouraged.

***The 2016 American Presidential Campaign and the News*** Jim A. Kuypers, 2018-03-14 This book examines perhaps the most contentious election in modern US history: the 2016 United States presidential election. It is unique in its discussion of a wide range of issues affecting the news media coverage of the election, coming from an equally diverse range of intellectual perspectives, including the rhetorical, social, scientific, communication studies, and media studies. With eleven chapters grounded in hard evidence and communication theory, *The 2016 American Presidential Campaign and the News: Implications for American Democracy and the Republic* examines significant topics such as fake news, media construction of Hillary Clinton's and Donald Trump's campaign personalities, media bias, visual meme depictions of the candidates, identity politics in the news, Trump's Twitter use, entertainment news, and social media as news. These chapters, individually and collectively, provide a direct commentary on the implications of the 2016 campaign news coverage for the future of the American Republic and political communication in the media.

*Social Catholicism for the Twenty-first Century?--Volume 2* William F. Murphy, 2024-09-19 This rich collection of essays by distinguished scholars from across the globe can be read as sketching key steps on the path toward working in solidarity to build a future worthy of the human

family through a new social Catholicism These steps include a contemporary renewal of Christian humanism and of human rights while learning to live as authentic Christian witnesses in pluralistic societies after the end of Christendom They will also include working for a just and sustainable economic paradigm becoming missionary disciples with a continual orientation toward the marginalized and overcoming the plague of racism by working to build a constitutional democracy for every citizen This societal renewal will require fostering robust movements of social Catholicism apt for our age within which Catholics will pursue the Universal Call to Holiness through living their earthly vocations in a spirit of social friendship They will creatively employ social media to foster apostolates extending beyond borders In an age of dark clouds threatening dystopia a new social Catholicism will require a reinvigorated pastoral leadership that has come to appreciate the dangers of populism and the need to instead foster solidarity and incarnate Christian charity through a better kind of politics

You've been a lectionary preacher throughout your ministry You like the discipline of dealing with the scripture of the week rather than just grabbing something that is easy for you to handle You're willing to preach on the hard stuff But what about the rest of scripture those passages that never appear in the weekly readings from the Revised Common Lectionary Are you and your congregation missing something that could be of great benefit Dr David Ackerman who writes the introduction to *From Words of Woe to Unbelievable News* felt the need to cover more of scripture and proposed a fourth year lectionary that covered passages that are not included in the Revised Common Lectionary In turn Dr Bob Cornwall a pastor highly qualified for the task chose to use these texts in a series of sermons for Lent and Holy Week He preached those sermons in 2014 We now offer these sermons in this Topical Line Drives volume One of the stumbling blocks with new ideas is the question of how one gets started It's sometimes hard to find just the approach to take to a new set of texts and a new set of ideas Bob Cornwall leads the way finding timely and powerful applications of these difficult texts Besides being a resource for pastors these sermons provide meditations that can be used as the basis for a Lenten study or for small groups *Resisting Orders* Christine Gervais,Amanda Watson,Shanisse Kleuskens,2025-05-29

**Suffer the Children** Gary Scott Smith, Jane Marie Smith, 2017-01-31 We all say that we care about children. We all know that millions of children around the world including in the United States are suffering physically, materially and emotionally and are unable to reach their full potential. Moreover, their material deprivation and physical ills often prevent them from responding to the gospel. Most of us conclude that we cannot do anything significant to help the impoverished children living in our own backyards let alone those living in the slums of Nairobi or the hinterlands of Haiti. We can however do much to improve their lives materially and spiritually. Through praying, giving, generously sponsoring children, volunteering with aid organizations, living more simply, investing and shopping more prudently and advocating more zealously in the political arena we can make a difference. We can prod politicians, business executives and church leaders to prioritize aiding destitute children. We can support one of the hundreds of organizations that are working effectively to help indigent children have better lives. *Suffer the Children* describes the plight of poor children and provides many practical ways we can participate in one of the most important crusades to improve our world.

**God's Bankers** Gerald Posner, 2015-09-15 From a master chronicler of legal and financial misconduct, a magnificent investigation nine years in the making, this book traces the political intrigue and inner workings of the Catholic Church. Decidedly not about faith, belief in God or religious doctrine, this book is about the church's accumulation of wealth and its byzantine entanglements with financial markets across the world. Told through 200 years of prelates, bishops, cardinals and the Popes who oversee it all, Gerald Posner uncovers an eyebrow-raising account of money and power in perhaps the most influential organization in the history of the world. *God's Bankers* has it all: a rare exposé and an astounding saga marked by poisoned business titans, murdered prosecutors, mysterious deaths of private investigators and questionable suicides; a carnival of characters from Popes and cardinals, financiers and mobsters, kings and prime ministers; and a set of moral and political circumstances that clarify not only the church's aims and ambitions but reflect the larger dilemmas of the world's more recent history. And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire. Part thriller, part financial tell-all, this book shows with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power.
