The background of the cover is a surreal landscape painting. In the foreground and middle ground, a vast field is covered with thousands of small, rectangular objects, possibly tiles or stones, in various colors including shades of blue, green, yellow, and red. These objects are arranged in a way that creates a sense of depth and perspective, leading towards a distant horizon. The sky above is a mix of soft, pastel colors, suggesting a sunset or sunrise, with a large, bright, circular light source (the sun or moon) positioned slightly to the left of the center. The overall mood is dreamlike and expansive.

Poppie Elsa Joubert English:

Elsa Joubert's The Long Journey of Poppie Nongena, 1981 Third World Women's Literatures Barbara Fister, 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. What plays have been written by women in the developing world? What books have been written by Sri Lankan or Brazilian women? Which works address themes of feminism or exile or politics in the Third World? These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation. Organized alphabetically, this reference volume presents entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. By providing information about and leads to works by and about Third World women, an important and largely marginalized literature, Fister has created a unique reference tool that will help teachers, scholars, and librarians both public and academic expand their definitions of the literary, making the voices of Third World women available in the same format in which many companions to Western literature do. An important book for all public and college-level libraries.

The Long Journey of Poppie Nongena Elsa Joubert, 2019-10-20 Poppie Nongena's arduous journey covers 40 years of South Africa's history, sweeping through the riots of Sharpeville, Soweto, and Cape Town, on to an indefinite but unpromising future. The plot reflects the brutality and injustice of the Apartheid system, while Elsa Joubert's characterisations reflect the courage and fortitude of people in the face of hardship and difficulty. Poppie's contented childhood in the Cape's countryside came to an end when she married a migrant worker and was forced by the authorities to move with him and their young family to the unfamiliar and bewildering city of Cape Town. No sooner had she established her roots in the new township when the laws changed and she was informed of her obligation to relocate to the Ciskei, her husband's homeland. He, as a migrant worker, was permitted to remain in the Cape to work. Over a ten-year period, Poppie fought the heinous pass law system, winning limited extensions to the permit that would allow her to live and work in Cape Town and enable her to keep the family together and provide an education for her children. Her own anger was shared by thousands, and inevitably the brooding undercurrent of discontent exploded throughout South Africa. Suddenly, there were no further extensions. Poppie and her children were forcibly removed from their home and resettled in a new township, hundreds of miles away, near East London. *The Long Journey of Poppie Nongena* is an epic tale of the endless adversity and struggle of a humble black woman under Apartheid laws. Poppie emerges from being a simple country girl to becoming an archetypal heroine of South Africa.
