## OCCUPATIONAL THERAPY

**WELCOME**  
TO OCCUPATIONAL THERAPY

My name is \_\_\_\_\_, I am very excited to provide occupational therapy to your child, this year!! I look forward to working with you and your child to achieve their goals!

**WHAT IS OCCUPATIONAL THERAPY?**  
Occupational therapy is a service in a school that is designed to help students develop the necessary skills to succeed and become more independent in their educational environment. Occupational therapists work with students to address various challenges, such as fine motor skills, social skills, organization, visual perceptual skills, self-care, handwriting, and learning accommodations. Students demonstrate these skills in the classroom, during activities, and in the community. Occupational therapists work with students to develop and implement strategies to address these challenges, such as providing visual aids, using visual schedules, and providing accommodations.
