Detailed Response

Which temple is more impressive, the Parthenon or the knowledge in your answer (8)

The Parthenon was significantly more impressive than its size, materials and design.

The Parthenon had a much more prominent position at the point of the city. This meant that it would have been raised on a plinth, as all Classical temples were, to grandeur to the people of Olympia as it would not have been.

A pivotal reason as to the Parthenon being more is marble throughout its entire structure. This was unusual, examples, on the Acropolis. This is impressive as it shows the homage they wished to pay to their deity. The limestone, with marble only being used for the sculpture was cheaper and did not increase the grandeur of the temples within Greece were built from this material.

The statues were both designed by Phidias and were of Zeus was more impressive as its height meant that it was one of the wonders of the world.

The most significant reason as to the Parthenon being
