Bureau of Labor Statistics, 1916 *Changing the Heart of Social Policy-Making* Catherine E. Johnson, 2025-07-24

Effective social policy making has been debated for decades by policy makers scholars and the general public As elected officials have lost sight of their purpose in a climate of extreme polarization and partisan politics disappointment and distrust of our government institutions have swelled This book highlights the importance of a change in the hearts and minds of legislators and provides a new perspective on addressing the public s desire for more effective and humane social policies Covering the legislative and social policy making process from a historical and contemporary perspective this book identifies powerful interest groups and corporate dollars which influence our legislative process and erode sound policy ideas and solutions The book also explores a new generation of youth voters which can influence election and policy outcomes the current mental health crisis and the importance of evidence based research in designing social policies Several topics are illuminated by real life experiences case studies and practical guidelines

Investing with Impact Jeremy Balkin, 2016-11-03 Investing with Impact Why Finance Is a Force for Good outlines the roadmap to reinvigorating a skeptical public and demoralized financial services industry by making the case that contrary to popular misconception finance is not the cause of the world s problems in fact it can provide the solution Author Jeremy Balkin presents the case that the finance industry can improve the state of the world by positively influencing the allocation of capital Investing With Impact explains the methodology of Balkin s 6 E Paradigm opening the toolbox to this revolutionary framework for the first time In so doing Balkin expands the impact investment universe enabling mainstream capital to flow where opportunities generate positive investment returns and have demonstrable social impact Described by the Huffington Post as the Anti Wolf of Wall Street Balkin is challenging the status quo on Wall Street by leading the intellectual debate embracing the 1 trillion frontier impact investment market opportunity The book demonstrates conclusively that if we can change the culture in finance we can change the world for the better
