Abstract: This chapter argues that the best way to understand the role of the state in the economy is to look at the way the state has been used to create and maintain the institutional framework that governs the economy. The author argues that the state has been used to create and maintain the institutional framework that governs the economy in a way that has been consistent with the interests of the dominant class in society. This has been done by using the state to create and maintain the legal and political system that governs the economy. The author argues that this has been done in a way that has been consistent with the interests of the dominant class in society. This has been done by using the state to create and maintain the legal and political system that governs the economy.
