The Routledge Companion to the Contemporary Musical Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty-first centuries. In the past decade and a half, international scholars from an ever-widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical, economic, and cultural tenor of the times but have helped shape and influence it in America and across the globe: a genre that may seem at first glance light-hearted and escapist serves also as a bold commentary on society. Forty-four essays examine the contemporary musical as an ever-shifting product of an ever-changing culture. This volume sheds new light on the American musical as a thriving contemporary performing arts genre, one that could have died out in the post-Tin Pan Alley era but instead has managed to remain culturally viable and influential in part by newly embracing a series of complex contradictions. At present, the American musical is a live, localized, old-fashioned genre that has simultaneously developed into an increasingly globalized, tech-savvy, intensely mediated mass entertainment form. Similarly, as it has become increasingly international in its scope and appeal, the stage musical has also become more firmly rooted to Broadway, the idea if not the place, and thus branded as a quintessentially American entertainment.

Contemporary Cinema and 'Old Age' Josephine Dolan, 2018-02-06 This book is the first to explore old age in cinema at the intersection of gender, ageing, celebrity, and genre studies. It takes its cue from the dual meanings of silvering: economics and ageing, and explores shifting formulations of old age and gender in contemporary cinema. Broad in its scope, the book establishes the importance of silver audiences to the survival of cinema exhibition while also forging connections between the pleasures of old-age films, consumer culture, the economy of celebrity, and the gendered silvering of stardom. The chapters examine gendered genres such as romantic

comedies action and heist movies the prosthetics of costume and CGI enabled age transformations Through this analysis Josephine Dolan teases out the different meanings of ageing masculinity and femininity offered in contemporary cinema She identifies ageing femininity as the pathologised target of rejuvenation while masculine ageing is seen to enhance an enduring youthfulness This book has interdisciplinary appeal and will engage scholars interested in old age and gender representations in contemporary cinema **The Oxford Handbook of Shakespeare and Dance** Lynsey McCulloch, Brandon

Beyond Collapse Ronald K. Fausseit, 2015-12-07 The Maya The Romans The great dynasties of ancient China It is generally believed that these once mighty empires eventually crumbled and disappeared A recent trend in archaeology however focusing on what happened during and after the decline of once powerful societies has found social resilience and transformation instead of collapse In Beyond Collapse Archaeological Perspectives on Resilience Revitalization and Transformation in Complex Societies editor Ronald K Fausseit gathers scholars with diverse theoretical perspectives to present innovative approaches to understanding the decline and reorganization of complex societies Essays in the book are arranged into five sections The first section addresses previous research on the subject of collapse and reorganization as well as recent and historic theoretical trends In the second section contributors look at collapse and resilience through the concepts of collective action eventful archaeology and resilience theory The third section introduces critical analyses of the effectiveness of resilience theory as a heuristic tool for modeling the phenomena of collapse and resilience In the fourth section contributors examine long term adaptive strategies employed by prehistoric societies to cope with stresses Essays in

the fifth section make connections to contemporary research on post decline societies in a variety of time periods and geographic locations Contributors consider collapse and reorganization not as unrelated phenomena but as integral components in the evolution of complex societies Using archaeological data to interpret how ancient civilizations responded to various stresses including environmental change warfare and the fragmentation of political institutions contributors discuss not only what leads societies to collapse but also why some societies are resilient and others are not as well as how societies reorganize after collapse The implications of the fate of these societies for modern nations cannot be underestimated Putting in context issues we face today such as climate change lack of social diversity and the failure of modern states Beyond Collapse is an essential volume for readers interested in human environment interaction and in the collapse and subsequent reorganization of human societies [Farmers and Consumers Market Bulletin](#) ,2009 **Books in Print Supplement** ,2002 **Gary Barlow Calendar 2022** Florian Kuhn,2021-11-25 GARY BARLOW CALENDAR 2022 Special gifts for all ages genders and art lovers around the world This calendar will help you more organized and better in time management and works for your goals A cool calendar Paul Klee artist fans This Is Perfect Calendar gift for any occasion Christmas Gifts Veterans Day Gifts Thanksgiving Gifts Birthday Gifts New year wishes Features and details 12 month calendar January 2022 to December 2022 BONUS 4 Months Calendar Size 8 5 x 8 5 8 5 x 17 when open Premium quality paper Glossy cover Monthly overview pages and lines for notes Official Holidays Please Note This great and practical calendar can be used as a desk or wall calendar though it does not have holes for hanging a simple hole punch would take care of the issue Give this calendar to yourself friends family co worker and have a great year together For more Calendars and Planners click on Author name to check it out Thank You for Being Our Customers [Gary Barlow 2013 Calendar](#) ,2012-09-01
