Encyclopedia of Library and Information Science Allen Kent, 1989-09-26 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **Fordham and Ogg's Personal Narrative** Frederic Ogg, Elias Fordham Frederic Ogg, 2003-01-30 *Church Review*, 1853 *The Church Review*, 1853 Joseph Brodsky and Collaborative Self-Translation Natasha Rulyova, 2020-11-12 Joseph Brodsky and Collaborative Self Translation is the first in depth archival study to scrutinize the Russian American poet Joseph Brodsky's self translation practices during the period of his exile to the USA in 1972 1996 The book draws on a large amount of previously unpublished archival material including the poet's manuscripts in Russian and English draft translations notes comments in the margins and correspondence with his translators editors and friends Rulyova's approach to the study of self translation is informed by social turn in translation studies She focuses on the process of text production the agents and institutions involved translation practices and the role played by translators and publishers in the production of the text *The Encyclopaedic Dictionary* Robert Hunter, 1896 **Church Review, and Ecclesiastical Register** Nathaniel Smith Richardson, John McDowell Leavitt, Edward Brenton Boggs, Henry Mason Baum, 1853 **A Ramble of Six Thousand Miles Through the United States of America** Simon Ansley Ferrall, 1832 **Dissenter in Zion** Judah Leon Magnes, 1982 For nearly half a century until his death in October 1948 Judah Magnes occupied a singular place in Jewish public life He won fame early as a preacher and communal leader but abandoned these pursuits at the height of his influence for the roles of political dissenter and moral gadfly During World War I he became an outspoken pacifist and supporter of radical causes Settling permanently in Palestine in 1922 he was a founder and the first president of the Hebrew University Increasingly he viewed rapprochement with the Arabs as the practical and moral test of Zionism and the formation of a bi national state of Arabs and Jews became his chief political goal His life interests thus focused on the core issues that confronted and still confront the Jewish people group survival in democratic America the direction and character of the return to Zion and thereconciliation of universal

ideals with Jewish aspirations and needs Dissenter in Zion draws upon a rich corpus of private letters personal journals and diaries to offer a moving account of an eloquent and sensitive person grappling with the great questions of the day and of an activist striving to translate private moral feelings into public deeds through politics and diplomacy We see Magnes disagreeing with Brandeis over the leadership and direction of American Zionism and with Weizmann and Ben Gurion over ways to achieve peaceful relations with the Arabs defending himself against charges by Einstein that he was mismanaging the affairs of the Hebrew University and persistently negotiating with Arab leaders trying to reach a compromise on the eve of the establishment of the State of Israel Dissenter in Zion also contains a biographical essay on Magnes by Arthur Goren assessing his ideas and motives and placing him in the context of his times It shows Magnes s profundity without covering up his weaknesses his lifelong tactic for courting repeated defeat in favor of long term goals that could not come to pass in his lifetime
