Motorcyclist's Legal Handbook Pat Hahn,2012-01-15 Motorcyclists face legal challenges that non motorcyclists don't even consider Unfortunately many motorcyclists are ignorant of those challenges as well until they find themselves in legal trouble In addition to all the physical hazards of the road motorcyclists must negotiate a seemingly endless array of legal hazards from the myriad licensing requirements and restrictions that vary from state to state to the issue of anti motorcycle bias among law enforcement officials While motorcycle magazines frequently publish articles addressing various aspects of the legal issues with which a rider must contend there has never been a one stop source that contains all of this information until now Motorcyclist's Legal Handbook collects all the information a rider needs to know in one comprehensive volume
