Southern Nights and Secrets Robin Covington,2016-09-19 Being a doctor is everything to me but I m not going to let bureaucrats tell me how to practice medicine It s about saving lives no matter what screw them and their paperwork When the one woman I could never forget Ginger Crawford shows up as my boss all bets are off The heat between us is tough to ignore but I have to if I want a future at this hospital It isn t easy Every time we argue I want her even more But I ve got secrets she can never know and she s always going to be way too good for me So it s best if she hates me at least that s what I keep telling myself The Southern Book Club's Guide to Slaying Vampires Grady Hendrix,2020-04-07 This funny and fresh take on a classic tale manages to comment on gender roles racial disparities and white privilege all while creeping me all the way out So good Zakiya Dalila Harris author of *The Other Black Girl* *Steel Magnolias* meets *Dracula* in this New York Times best selling horror novel about a women s book club that must do battle with a mysterious newcomer to their small Southern town Bonus features Reading group guide for book clubs Hand drawn map of Mt Pleasant Annotated true crime reading list by Grady Hendrix And more Patricia Campbell s life has never felt smaller Her husband is a workaholic her teenage kids have their own lives her senile mother in law needs constant care and she s always a step behind on her endless to do list The only thing keeping her sane is her book club a close knit group of Charleston women united by their love of true crime At these meetings they re as likely to talk about the Manson family as they are about their own families One evening after book club Patricia is viciously attacked by an elderly neighbor bringing the neighbor s handsome nephew James Harris into her life James is well traveled and well read and he makes Patricia feel things she hasn t felt in years But when children on the other side of town go missing their deaths written off by local police Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt The real problem James is a monster of a different kind and Patricia has already invited him in Little by little James will insinuate himself into Patricia s life and try to take everything she took for granted including the book club but she won t surrender without a fight in this blood soaked tale of neighborly kindness gone wrong **The american novel today** ,1928
