instruction *Strengths-Based Teaching and Learning in Mathematics* Beth McCord Kobett, Karen S. Karp, 2020-02-27 This book is a game changer Strengths Based Teaching and Learning in Mathematics 5 Teaching Turnarounds for Grades K 6 goes beyond simply providing information by sharing a pathway for changing practice Focusing on our students strengths should be routine and can be lost in the day to day teaching demands A teacher using these approaches can change the trajectory of students lives forever All teachers need this resource Connie S Schrock Emporia State University National Council of Supervisors of Mathematics President 2017 2019 NEW COVID RESOURCES ADDED A Parent s Toolkit to Strengths Based Learning in Math is now available on the book s companion website to support families engaged in math learning at home This toolkit provides a variety of home based activities and games for families to engage in together Your game plan for unlocking mathematics by focusing on students strengths We often evaluate student thinking and their work from a deficit point of view particularly in mathematics where many teachers have been taught that their role is to diagnose and eradicate students misconceptions But what if instead of focusing on what students don t know or haven t mastered we identify their mathematical strengths and build next instructional steps on students points of power Beth McCord Kobett and Karen S Karp answer this question and others by highlighting five key teaching turnarounds for improving students mathematics learning identify teaching strengths discover and leverage students strengths design instruction from a strengths based perspective help students identify their points of power and promote strengths in the school community and at home Each chapter provides opportunities to stop and consider current practice reflect and transfer practice while also sharing Downloadable resources activities and tools Examples of student work within Grades K 6 Real teachers notes and reflections for discussion It s time to turn around our approach to mathematics instruction end deficit thinking and nurture each student s mathematical strengths by emphasizing what makes them each unique and powerful Hare and Tortoise Race Across Israel Laura Gehl, Aesop, 2015-01-01 Two good friends Hare and Tortoise race from Tel Aviv to the Dead Sea enjoying the unique culture and geography of Israel along the way Dog Can Hide Laura Gehl, 2023-01-17 From Laura Gehl author One Big Pair of Underwear and Goat Wants to Eat comes another side splitting Ready to Go Ready to Read about a thrilling game of hide and seek between three animal friends Cat is it Dog can hide Frog can hide Can Cat find Dog and Frog Perfect for kids at the beginning of their reading journeys Dog Can Hide was written for children who have learned the alphabet and are ready to start reading And what better way to get kids excited than with a hilarious story with words they can read on their own Each Ready to Go Ready to Read includes a note to parents explaining what their child can expect a guide at the beginning for readers to become familiar with the words they will encounter in the story and reading comprehension questions at the end Each Ready to Go story contains about 100 words and features sight words rhyming words and repetition to help children reinforce their new reading skills In this book readers will learn ten sight words and thirteen words from four word families So come on and get reading **The Iraqi Collector** Stuart Harrison, 2022-07-19 It

was going to be the beginning of a long year and it was only the first night rolling out on a deployment in Iraq I sat in the back of the lead High Mobility Multipurpose Wheeled Vehicle HMMWV There were three vehicles out on patrol that night We were pulled off the side of the road for less than 10 minutes when a black sedan passed our convoy and pulled directly off the road in front of our lead vehicle with about a distance of 20 feet The reaction to the black sedan speeding by our vehicles swerving in and slamming the brakes made the guys up top in the turrets with the M249 machine guns wake the hell up ready to fire into the black sedan Most civilized humans would ask why kill innocent people in a car just for backing up Let me explain a highly probable and truly tragic situation that occurred frequently in Iraq which led to the murder of innocent civilian women children men US and Iraqi Soldiers If the black sedan moved backwards toward our lead vehicle and there was an explosive shell in the vehicle it could be detonated by the two suicide bombers killing myself and my men We had seconds a demand for immediate action a question of whether or not to pull the trigger unleashing a barrage of hot steel into the car in front of us For most in the western civilized world a different response would be considered first Well let's wait to see why the guys in the black sedan are backing up maybe they're lost Unfortunately in Iraq in that moment your vehicle could be consumed by a ball of flame That's where the light switch effect comes into play Deciding to do nothing is what gets you a one on one with the maker up in the sky

Frog Can Hop Laura Gehl, 2023-12-12 From Laura Gehl author of Dog Can Hide and Cat Sees Snow comes another side splitting Ready to Go Ready to Read about an energetic frog and unhurried pig Frog can hop Pig likes to flop When Frog makes a big drop will Pig help Perfect for kids at the beginning of their reading journeys Frog Can Hop was written for children who have learned the alphabet and are ready to start reading And what better way to get kids excited than with a fun story with words they can actually read Each Ready to Go Ready to Read includes a note to parents explaining what their child can expect a guide at the beginning for readers to become familiar with the words they will encounter in the story and reading comprehension questions at the end Each Ready to Go story contains around 100 words and features sight words rhyming words and repetition to help children reinforce their new reading skills In this book readers will learn two sight words and ten words from one word family So come on and get reading

Improving Maths Pedagogy and Practice (IMPP) Scale Denise Kingston, Iram Siraj, Judy Barrett, 2025-10-28 The Improving Maths Pedagogy and Practice IMPP scale is an innovative way of assessing and improving the quality and effectiveness of mathematics teaching in the first few years of primary or elementary schooling It is informed by the evidence base of practice shown to improve children's outcomes and extensive professional development delivered by the authors The IMPP supports both the how and what of teaching mathematics to young children encourages positive dispositions towards maths and addresses issues such as maths anxiety and disengagement It focuses on teaching developmentally appropriate maths with understanding using maths talk child friendly contexts concrete pictorial and abstract representations to their best effect This unique measurement scale supports the teaching of early mathematics in primary elementary schools using

the evidence base of what works best to support fluency and mastery teachers content and pedagogical content knowledge of mathematics including comprehensive sets of practical examples quality improvement processes and self assessment of the mathematics taught in classrooms children learning mathematics with understanding which also supports their engagement enjoyment and achievements researchers auditors and or inspectors looking for a measure of mathematical quality and effectiveness in the classroom The IMPP will help teachers and school leadership successfully develop their children s mathematical understanding reasoning and problem solving Educators can use the scale for self evaluation of their own practice so they can build on what they already do well and improve where required Leadership teams and mentors can use it to audit quality support positive discussions and set effective development targets The scale is particularly useful when supporting children living with disadvantage and those with additional learning needs and maths anxiety Cat Has a Plan Laura Gehl,2020-07-21 Cat has a plan Dog has a plan May the best plan win in this Ready to Go Ready to Read from Laura Gehl author of the popular One Big Pair of Underwear Perfect for kids at the beginning of their reading journeys Cat Has a Plan was written for children who have learned the alphabet and are ready to start reading And what better way to get kids excited than with a hilarious story with words they can read on their own Each Ready to Go Ready to Read includes a note to parents explaining what their child can expect a guide at the beginning for readers to become familiar with the words they will encounter in the story and reading comprehension questions at the end Each Ready to Go story contains about 100 words and features sight words rhyming words and repetition to help children reinforce their new reading skills
