One Hundred Poems Of Tukaram:

One Hundred Poems of Tukaram Chandrakant Mhatre, 2015-02-04 Seeker of Spirituality Lover of Exquisite Poetry Look No Beyond One Hundred Poems of Tukaram This book is a collection of selected poems of Tukaram the greatest poet from India who finely blends worldly wisdom with spirituality Though written in the seventeenth century Tukaram's poetry hold its relevance in our own twenty first century that is facing so many self created evils These poems will heal your bruised mind with their spiritual touch and at the same time enrich it with their worldly wisdom Much needed fine balance indeed Tukaram was a seventeenth century Indian poet who challenged the norms of the day whether literary social or religious in his poems that not only energized a decaying society but also influenced the centuries to come Tukaram's poetry hold its rejuvenating powers even in the turbulent times of our own twenty first century One Hundred Poems of Tukaram is a translation of selected poems of this visionary poet who makes his reader see every aspect of life in a new light enabling them to rethink the whole world in more positive terms Tukaram's reputation as one of the greatest poets born in India resides on his four thousand or so extant poems which he composed in Marathi his mother tongue Unlike most of the poets of the seventeenth century Tukaram did not write in highly Sanskritised Marathi instead he chose the colloquial language spoken by the common most people of his times This has given a distinct vigour to his compositions which appeal straight to the heart of his readers By temperament Tukaram is as candid and as forthright as imaginable and does not hesitate to write about anything under the sun nor does he consider anything too holy to be left untouched This makes his poems penetratingly consistent in taking aim at the very core of the questions grappling human existence Though he wrote almost four hundred years ago in a very different social milieu than today's globalised and digitized world somehow he seems to be dealing with and overcoming exactly the same dilemmas faced by the human populace in the twenty first century the world over This continuum of human condition is what draws us more and more to the poems of Tukaram While reading Tukaram one gets an eerie feeling that Tukaram is a contemporary poet that the content of his poems is of the present times that he writes for the current generations Thus we come across in his poems all that angst that we today experience on seeing innocent people suffering at the hands of the terrorists when he exclaims Eyes cannot bear to see Such is the devastation Pains of others grieve My heart It hardly matters that Tukaram is writing in this poem about the horrific droughts of his times that wiped out an entire generation this becomes an expression of my heart writhing in pain seeing the images of the thousands of Nigerians killed in the Boko Haram attack It hardly matters that Tukaram is talking about a nature inflicted calamity while our miseries today are self inflicted Tukaram's words catch hold of our aching nerve like no contemporary of ours can One Hundred Poems of Chokha Mela Chandrakant Kaluram Mhatre, 2024-01-23 A revised edition of the prescribed text for Indian Literature in Translation course of M A Honours in English M A Honours with Research in English programmes of the University of Mumbai Sant Chokha Mela 13th 14th century in Marathi was born in the Mahar community

which lay at the bottom of the caste hierarchy prevalent in the contemporary society Of course he was not to have any education even in the remotest sense of the word Yet such was the influence of the two founding fathers and other saints of the Varkari Sect that Chokha Mela could compose poetry of the highest order Poetry that has stood the test of time for last seven hundred years and has become the finest example of the expression of human angst caused by the oppressive societal norms Each poem by Chokha Mela or Chokhoba as he was fondly called by his peers stands testimony to the inhuman treatment that was meted out to large sections of society in the name of religion Each of his poems is a cry of the bereaved soul that has been deprived of its humanness itself Each of the poem is a powerful statement against the repression that a handful carried out against the masses Such is the intensity of these poems that their reader feels the very angst that the Poet must have undergone Such is the grip that these poems take over the reader s mind that one feels their guts being wrenched remembering the agony of the Poet s expressions long after the poems have been read and the book kept aside

The Autobiography of Sant Bahinabai Chandrakant Kaluram Mhatre, 2023-01-02 Sant Bahinabai 1628 1700 in Marathi was just three years old when she was married off to a 30 year old widower Here starts a long series of hardships that Bahinabai had to brave out for the better part of her life Hardly had she turned seven when she had to leave their native place along with her family and go in search of livelihood from village to village and town to town and that too on foot No one knew when or where the next meal would be To worsen the matters Bahinabai s short tempered husband accompanied her family during these seemingly endless journeys and Bahinabai was subjected to the most brutal form of domestic violence at the hands of her husband from a very tender age even when she was three months pregnant This travesty of a married life continued for almost a decade and her birth in the so called higher caste did next to nothing to alleviate Bahinabai s misery just like millions of women before and after her What makes Bahinabai s sufferings significant is the fact that she gave them a voice in her poems and became the first woman autobiographer of India Her autobiography ranks very high among those works that document the lives of survivors of domestic violence apart from being one of the oldest if not THE oldest such an account in the history of world literature With its uninhibited attacks on patriarchy Bahinabai s autobiography predates all the feminist texts in the world This book also contains Bahinabai s translation of Vajrasuchi Upanishad which makes her the first woman translator of India
